

ABOUT COLLEGE

BCM college was founded in 1955 by Mar Thomas Tharayil , then the Bishop of Kottayam. Her successful journey has stepped into 63rd year of excellence. Being one of first womens colleges in Kerala and accredited with A grade by NAAC , she has made a steady progress in every aspect and giving utter values and in empowering society by women education.

ABOUT DEPARTMENT

One of the most vibrant department of BCM college, the Department of Mathematics is about to celebrate its diamond jubilee. The degree course was started in 1958 and Msc. Mathematics started in 1984 and was first PG course in college. on the successful journey of 60 years of excellence , department is providing knowledge in pure and applied Mathematics through various academic and co-curricular activities.

ABOUT Sr.M Lucia

A dedicated teacher in statistics Sr. M Lucia joined the department of Mathematics in 1981. She proved herself as an able and effective administrator during her service as the Vice principal and as the hostel warden ,her efforts has uplifted college to an appreciable level. An approachable person, Sr. M Lucia was a mother , an elder sister and a friend for the students. She had left heavenly adobe on 27th October 2001.

We are trying to thank this great woman of unparallel kindness and enviable dedication by conducting the Intercollegiate quiz competition in her memory.
