

BISHOP CHULAPARAMBIL MEMORIAL COLLEGE, KOTTAYAM

Ek Bharat Shreshtha Bharat (EBSB) Club

ACTIVITIES 2020-21

Preface

Ek Bharat Shreshtha Bharat (EBSB) has been one of the major flagship programmes of the Government to bring in cultural integration of the country. EBSB was announced by Hon'ble Prime Minister on 31st October, 2015 on the occasion of the 140th Birth anniversary of Sardar Vallabhbhai Patel. The Ministry of Education, Govt. of India is the coordinating Ministry for these activities under EBSB.

India is unique by its diverse, multi cultural, multi lingual nature, yet stands together as one nation with various religions, traditions, values, culture, languages, dresses, festivals, food cuisines etc. EBSB celebrates the unity in diversity through mutual interaction & joint programs between people and institutes of different states and UTs. The pairing state of Kerala is Himachal Pradesh and the pairing College of Bishop Chulaparambil Memorial College is Government College Karsog, Himachal Pradesh.

EBSB is an extended platform for students of our college to understand and learn about Himachal Pradesh and its people, culture, life style, food habits, music, dance, dressing styles, festivals etc. Various programmes are organized every month to know more about Himachal Pradesh through our pairing institute and many videos are prepared to send to them to know more about Kerala and culture here. This is a knowledge giving yet fun drive with our Principal Dr. Teena Annah Thomas, IQAC Coordinator Dr. Stephy Thomas and EBSB Coordinator Dr. Elizabeth V. John.

The broad objectives of the initiative :

To CELEBRATE the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country

To PROMOTE the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories through a year-long planned engagement between States

To SHOWCASE the rich heritage and culture, customs and traditions of either State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity

To ESTABLISH long-term engagements

To CREATE an environment which promotes learning between States by sharing best practices and experiences

JANUARY 2021

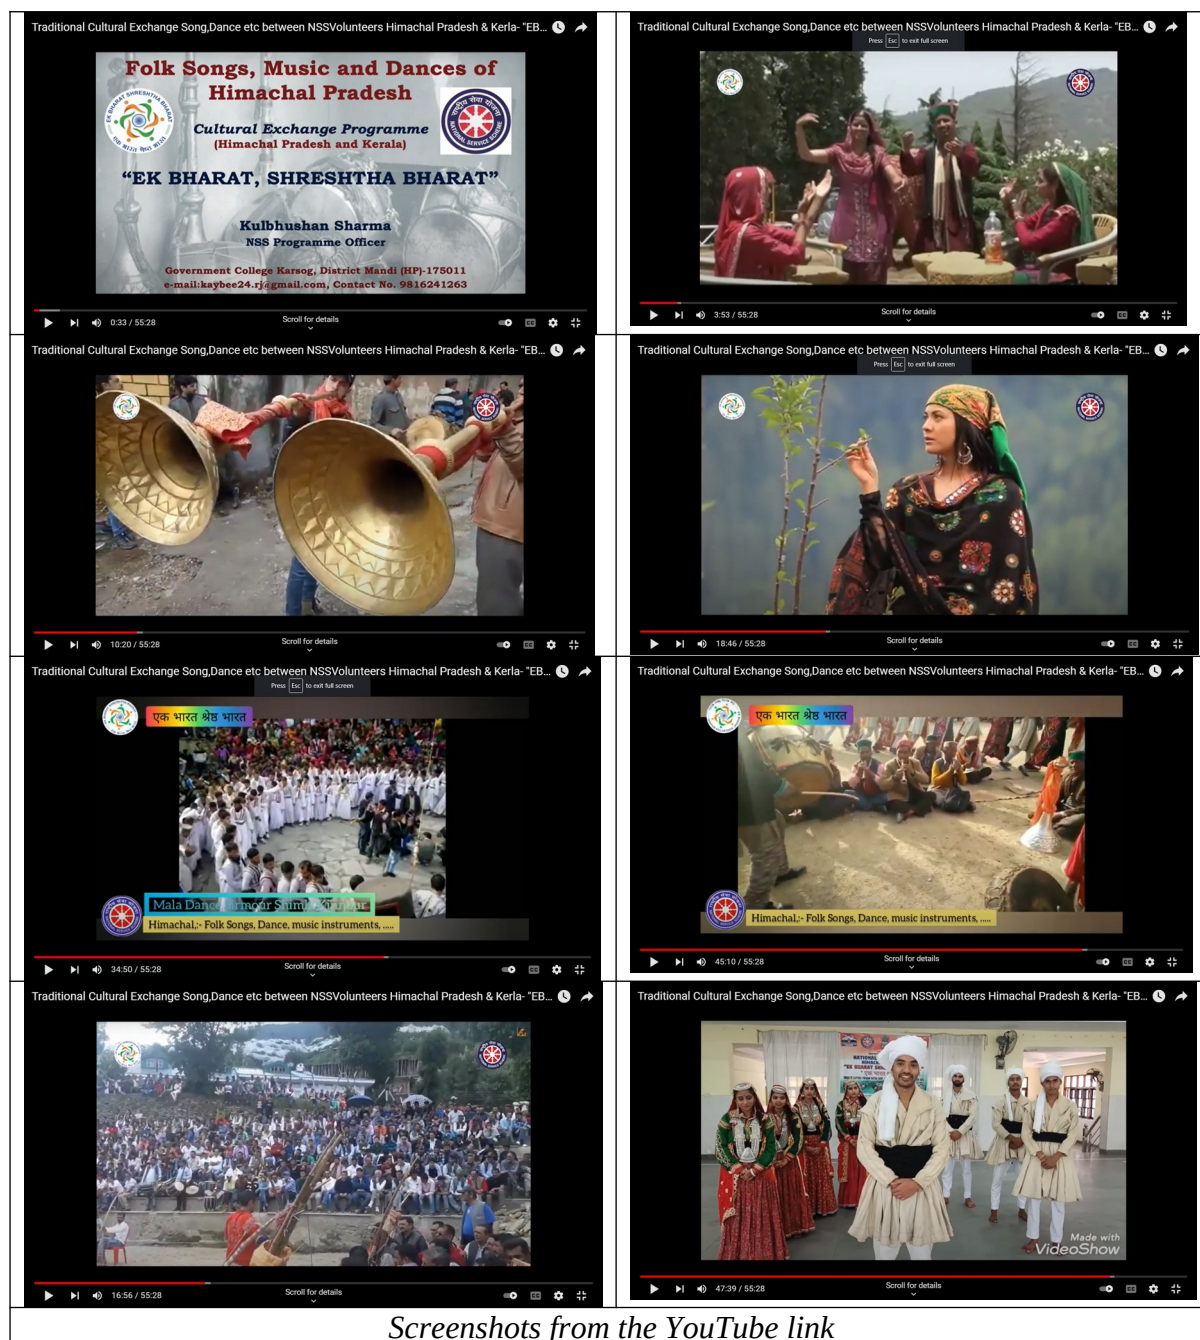

Video presentation on Himachal Pradesh

In the difficult times of COVID pandemic, the academic year started bit late. The new students of first year were not very familiar with our pairing state Himachal Pradesh or pairing institute, Govt. College, Karsog. As the students had online classes, the YouTube video prepared by Dr. Kulbushan Sharma, Assistant Professor in English, Govt. College Karsog on the culture, traditions, life, folk songs, music, food and dress of the people of Himachal Pradesh was passed to the students to experience the goodness and charm of Himachal Pradesh. The video is 55 minutes long. Students enjoyed the video and it gave a great vision and understanding about Himachal Pradesh.

MAY 2021

International Nurses Day

EBSB club in association with department of Hindi prepared a video on International Nurses Day on May 12, 2021 in Hindi. Kerala is a state where many girls and boys select nursing as a profession and migrate to many countries all over the world. Through this video we salute our brothers and sisters who stood as the frontline warriors during the time of COVID pandemic. This video pays tribute to Sr Lini from Kerala who fought her battle during the days of Nippa virus in Kerala. The video also contains some drawings and cartoons by students. The voice for the video was given by Dr. Naveena J Narithookil, HOD, department of Hindi.

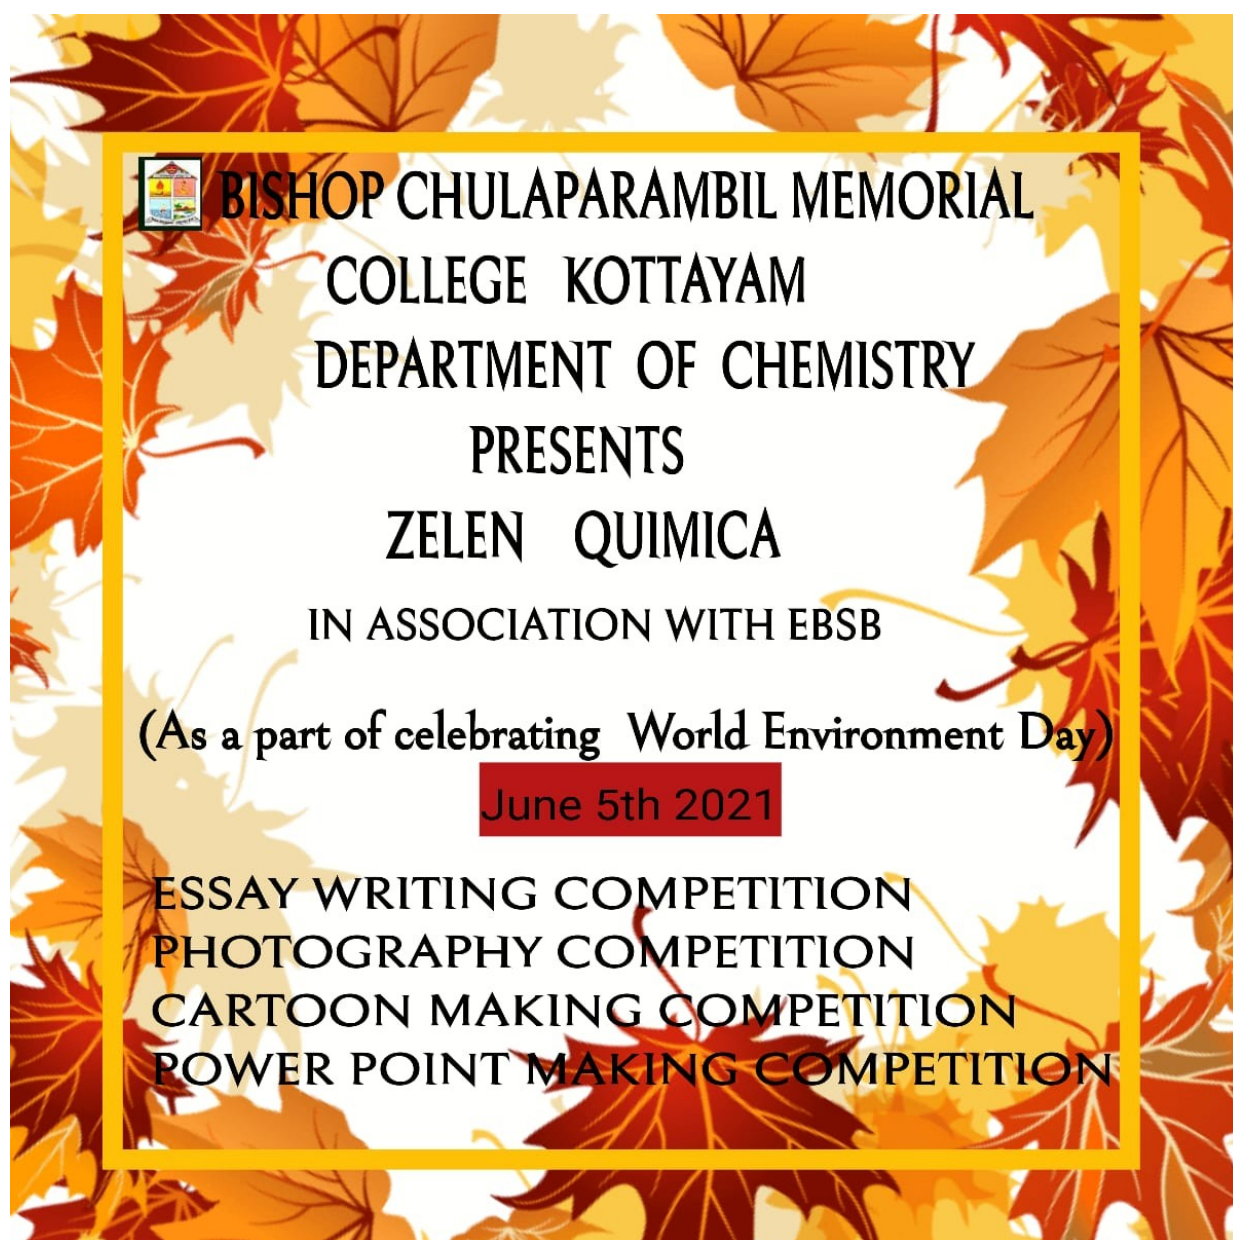

Screenshoots from the video

JUNE 2021

ENVIRONMENT DAY CELEBRATIONS 2021

As part of celebrating “The World Environment Day”, the **Department of Chemistry of B.C.M College** in association with **Ek Bharat Shreshtha Bharat (EBSB)** has organised various competitions to create awareness among students on the importance of our environment, the need to identify problems related to environment and ways to protect and preserve it.

Various competitions which includes Essay Writing Competition, Photography Contest, Cartoon Making Competition and Power Point Making Competition from **June 5th to June**
