

Kshamatha va Kushaltha Vikas Kendra- Gateways to Success

Centre for enhancing the capabilities and potentials of young women to give wings to their dreams...

Kshamatha va Kushaltha Vikas Kendra is a centre for enhancing the capabilities and potentials of each student. Here we cater to the skill development of the students including soft skills, life skills, language skills and computing skills. All the departments, actively participate by providing various activities for skills' development. Various short term and long term courses are designed for this purpose.
