SCHOLAR SUPPORT PROGRAMME 2019-2020
BISHOP CHULAPARAMBIL MEMORIAL COLLEGE KOTTAYAM

It is with immense pleasure that we are submitting the report of scholar support programme for the academic year 2019-2020. Primarily we are thankful to our well wishers and stakeholders for their generous support and whole hearted co-operation extended. The programme was started in our college during 2014-2015. Scholar Support Programme, part of 'New Initiatives in Higher Education' initiated by the Department of Higher Education, Govt. of Kerala aims at imparting personalized additional support to needy students through internal and external mentoring sessions, study materials, additional lectures, question banks interactive sessions and web based modes. This is a turning point where attention is focused on teachers as flag holders. The weaker students get additional attention and they get an opportunity to learn the concepts and ideas again which are difficult for them. We, the team here in turn gain strength out of this encouragement and remain ready to serve to the satisfaction of our students. An amount of Rs.107000 was utilized under various heads for which it was given. All the records were properly maintained and utilization certificate was obtained. The programme was successfully completed in our college during the academic year 2019-2020.
