Report 2018-19

ASAP classes for the year 2018-19 were begun on 15.7.2018 with **Foundation Classes** for the students. The classes were led by SDE, Mintu. On request, two students of General Category have been exempted from fee by District Collector. The foundation classes chiefly focused on life skills training and intended to equip students with soft skills which were essential in the current job scenario. The course delivered communication skills and basics of IT catering to each candidate individually. The candidates were also provided training in selected areas of industry and service sectors. As such, the course was able to impart training with the objective of building a new generation of educated and able personnel.
