Additional Skill Acquisition Programme (ASAP)

Report 2017-18

The programmes of ASAP for the year 2017-18 started with **ASAP Foundation Module Classes** on 20.7.2018. Ms. Alice Kurian was the appointed SDE for the 22 students who joined for the classes. The objective of this course was to tackle the issue of growing unemployment in the State. The classes progressed with activity -oriented sessions with training in paper bag making, paper crafts etc. It also included modules which focussed on Communication Skills and IT skills; along with the development of other soft skills. The inclusive approach of ASAP Foundation Module Classes has paved way to many innovative initiatives among the candidates. ASAP Co-ordinator visited the classes on 2.11.2018 and **collected feedback** from the students about the course and their experience. Receiving the feedback was an important element in the satisfaction over the classes held and a few complaints regarding the evening snack have been resolved by communicating with the canteen staff. Since The financial year has come to an end on 28.3.2018, the excess has been refunded to ASAP A/C Thiruvananthapuram.

The classes for the year 2017-18 were conducted successfully with lively sessions and regular participation of the students.
