Brochure

To take a walk down the corridors of nostalgia, the Alumni Meet, REMINISCENCE 2018, was inaugurated by the Principal of the College, Prof. Josephina Simon. The meet started traditionally with the lighting of lamps and was followed by the recital song 'saraswativandana'. Ms Niya Vinu from 3rd DC Computer Applications welcomed the gathering. Senior retired professors were invited. There was a warm welcome by REMINISCENCE committee members. Speaking on the occasion, the Head of the Department

underlined and praised the Alumni Committee members and the association. Many of the alumni are successful entrepreneurs providing jobs to others as well as tax practitioners and bank employees. She praised their contribution towards the growth of their Alma Mater and emphasized the need for further strengthening the linkage between the Alumni and BCM and current students. The President of Alumni association, REMINISCENCE, Prof Josephina Simon welcomed the alumni and their family members in the campus and appreciated their zeal to assemble here despite their busy schedule. The vote of thanks was given by Ms Anju Philip from 3rd DC Taxation. The Inaugural session was followed by a cultural programme of our students. Great bonhomie was observed everywhere with old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. In all, the ambience was electric with people seen chatting and dancing in groups. The BCM College witnessed active involvement of the alumni, and a number of commendable suggestions and proposals came up from them. It was decided to strengthen the link between the current commerce students and alumni for their support to current students in the area of training, placement, career counselling and any other help. It was also decided to raise funds to develop the students' activity centre coming up in the campus and other activities. Finally a new body was elected and constituted to carry forward the work of the Alumni association. The new body thanked the alumni in reposing their faith in them and pledged to work selflessly for growth of association and BCM. The Alumni Meet, REMINISCENCE 2018 ended with a promise to meet again and everyone bid emotional farewell to each other and their beloved BCM. Total number of alumni presented in the meet was 20.
