ENVIRONMENT WEEK CELEBRATION

World Environment Day is observed on 5th of June every year to remind people about the importance of nature. The day is celebrated across the world to make the people aware that nature should not be taken for granted and must be respected for its values.

As a part of World Environment Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, celebrated environment week in the form of week tasks from June 5th to June 11th to restore the ecosystem.

TASK 1

PLANT A TREE

Trees greatly contribute to their environment by providing oxygen, supporting wildlife, improving air quality, conserving water, preserving soil, and climate amelioration. Trees take in the carbon dioxide in the air and produce oxygen for living, breathing organisms around it.

As a part of Environment week celebrations, each cadet of the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, planted a tree in their own garden. It was a good experience for all to be a motivation for others in showing the importance of planting and conserving trees rather than cutting them down.

TASK 2

ECO-FRIENDLY CRAFT

Eco-friendly products are best known as they are good for the environment and there is no harm in the use of eco-friendly products . For example, going green means also reducing your carbon footprint. Our surroundings are everything we have, so it's our duty to treat them well.

As a part of Environment week celebrations, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, crafted eco-friendly products on 6th June, 2021. It was a good experience in which all the cadets could understand the importance of protecting the environment and using eco-friendly products.

TASK 3

PLASTIC FREE ENVIRONMENT

Living plastic free means taking better care of ourselves, our health and our environment. It also means focusing on recycling, on second-hand and durable products rather than cheap single-use stuff, and on repairing or upcycling whenever possible. Reducing plastic consumption can be done in several steps. Start with food: that's where most single-use plastic can be found.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja, as a part of celebrating Environment week, collected the plastic wastes from the surroundings of homes on 7th June and separated as recyclable ones. It was a good experience to make the environment plastic free.

TASK 4

DONATE A PLANT

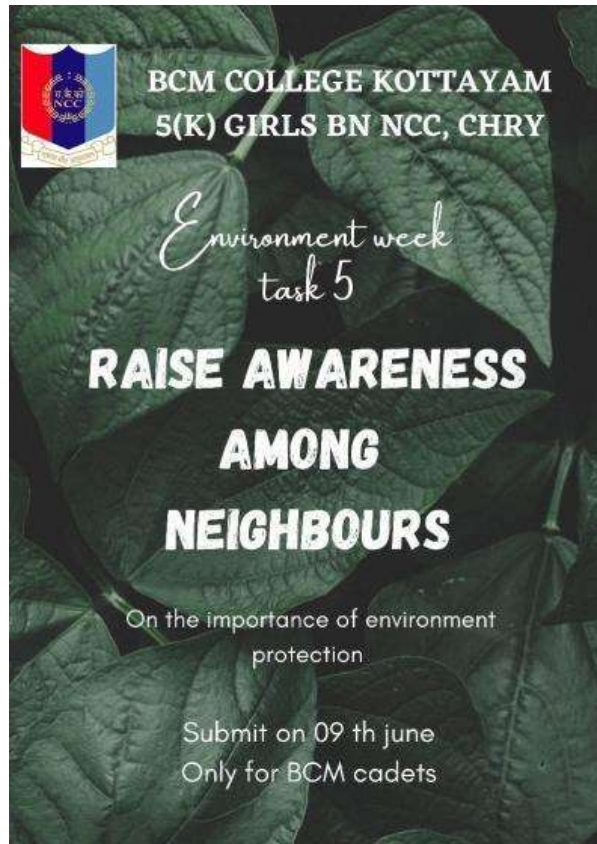

Trees provide us shelter, they give us fruits and flowers in plenty. Ornamental plants provide decorative attractions; medicinal trees are a true gift of nature. The bark of trees is used for preparing spices, etc. There are a lot of reasons for why one should protect trees and save the greenery in our environment. We ought to spend our leisure time creatively and bring in the younger generation into the roles of nature saviors by teaching them and educating the lot about nature conservation and tree plantation programs.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of celebrating Environment week, took initiative to donate a sapling in neighbourhood. It was a great experience in which the cadets could convey the message to plant a sapling today for better tomorrow.

TASK 5

RAISE AWARENESS AMONG NEIGHBOURS

Humans have a moral obligation to protect the environment and to promote the sustainable development of the planet for future generations. Environmental degradation is detrimental and is jeopardising the long-term health and security of animals, plants and humans. Everyone needs to improve their environmental awareness. It is especially imperative to teach children about the importance of environmental awareness, to ensure that the lives of future generations are secure.

As a part of celebrating Environment week, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative and went through the neighbourhood on 9th of June in order to convey the message to plant more saplings and protect our environment. It was a good experience in which the cadets could make them understand the need to promote afforestation

TASK 6

BIRD FEEDING

Feeding birds makes a world of difference in an individual's life as well as for our planet. It helps to restore the balance of nature. When we feed birds, we help more birds and their offspring's survive. The most noticeable benefit of feeding birds is simply the pleasure and inner calmness their company can bring us.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of celebrating Environment week, took initiative on 10th of June to spend time with nature and feed the birds. It was really a great experience in which the cadets could spend some time with nature and feed birds which came nearby.

TASK 7

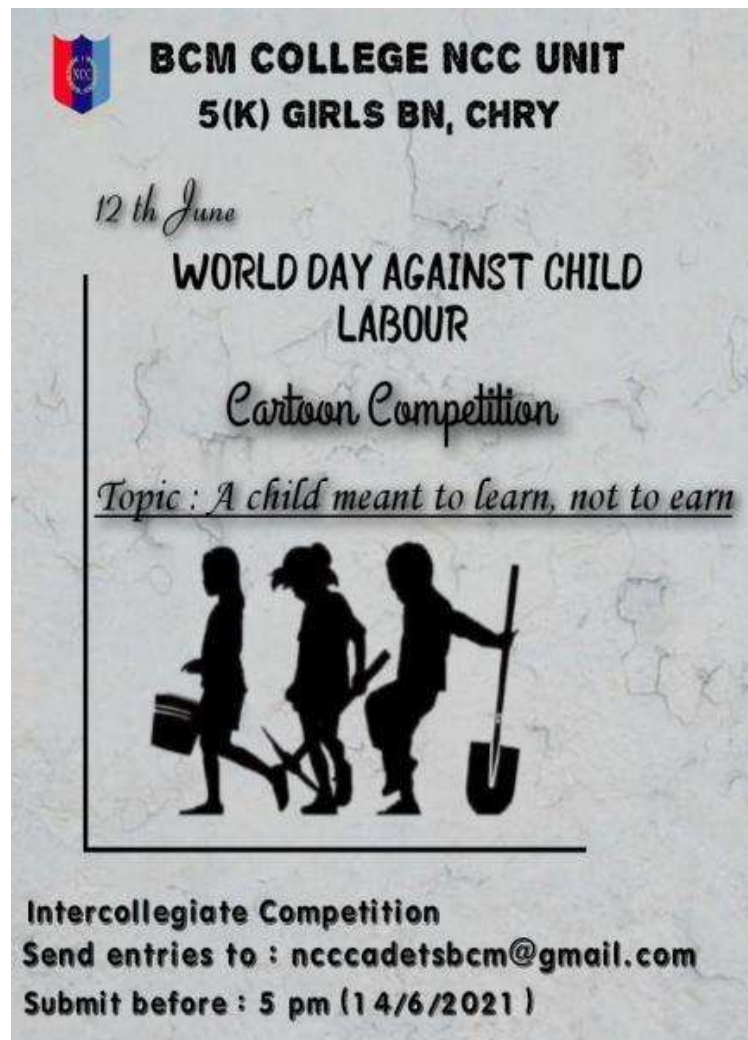

TRASH TO TREASURE

Recycling reduces the need for extracting, refining and processing raw materials all of which create substantial air and water pollution. As recycling saves energy it also reduces greenhouse gas emissions, which helps to tackle climate change.

As a part of Environment week celebration, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative in selling self made recycled products to their neighbors and dear ones to create awareness about the necessity of ecosystem restoration.

WORLD DAY AGAINST CHILD LABOUR

Every year 12th of June is marked as World Day Against Child Labour aimed to bring attention to the problems of child labour and to find ways to eradicate and fight against it. The day is used to spread awareness about the harmful mental and physical problems faced by children forced into child labour, around the world.

As a part of observing World Day Against Child Labour, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted cartoon drawing competition in order to spread the awareness about the importance of the day.

WORLD BLOOD DONOR DAY

World Blood Donor Day is celebrated every year on 14th of June. It's an initiative by the World Health Organization (WHO), aimed to spread awareness about blood donation and the need for safe blood and blood products. Also, it is celebrated to appreciate the contribution of voluntary blood donors in saving lives.

As a part of celebrating World Blood Donor Day, the BCM College NCC unit under the leadership of ANO Lt Dr Reeja PS, conducted an intercollegiate poster making competition and online speech competition to make people aware about the necessity of donating blood.

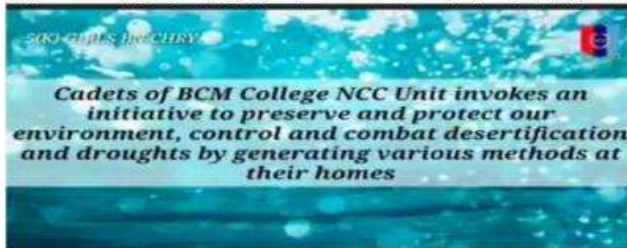

WORLD DAY TO COMBAT DESERTIFICATION AND DROUGHTS

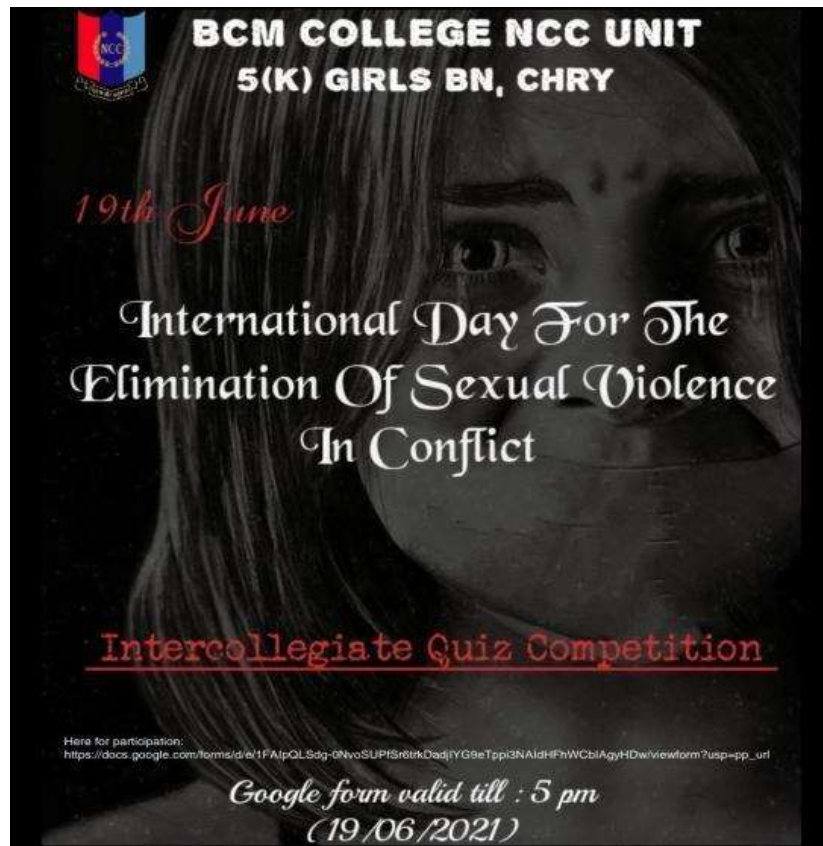

The desertification and drought day 2021 is observed on 17th of June every year. The day's focus is to turn the degraded land that has lost its natural productivity due to human activity into healthy land. To fight this menace, the degraded land should be converted to fertile land in the coming years. The need to restore the degraded land is to bring economic resilience, create jobs, raise income and food security. The pandemic has played a significant role in lessening the impact of climate change and green recovery.

As a part of observing world day to combat desertification and droughts, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, coined a video on preserving and protecting our environment by controlling and combating desertification and droughts by generating various methods at their homes.

INTERNATIONAL DAY FOR THE ELIMINATION OF SEXUAL VIOLENCE IN CONFLICT

International Day for the Elimination of Sexual Violence in Conflict is observed on 19th of June every year. It is a crucial event that is meant to raise awareness on the urgent need to prevent and combat the heinous incidents of sexual violence in conflict zones. This particular date was chosen to honor the very first instance when sexual violence was acknowledged as a weapon of war, an act of terror, rather than an unintended result of war.

As a part of observing international day for the elimination of sexual conflict, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted an intercollegiate quiz competition in order to raise awareness about the day and e-certificates were given to students who scored more than 80%.

NATIONAL READING DAY

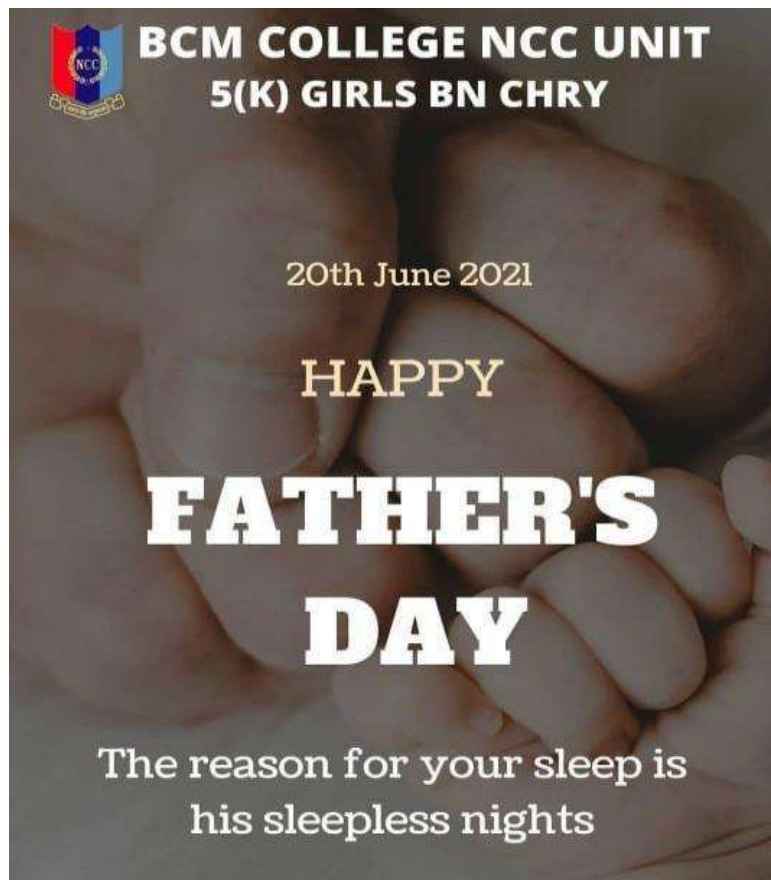

National Reading Day is celebrated across the country on 19th of June every year. The day marks the death anniversary Puthuvayil Narayana Panicker, commonly called P.N who was the father of Library Movement in India. Reading is important because it develops the mind. The mind is a muscle. It needs exercise. Understanding the written word is one way the mind grows in its ability.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, coined a video on showing the importance of reading in our life. It was really inspiring for all of us to know more about the importance of reading.

FATHER'S DAY

Father's Day is commemorated in most parts of the world on the third Sunday of June. This year it was observed on June 20. Father's Day is a celebration of fathers, honouring fatherhood, paternal bonds and the role fathers play in society. This day acknowledges and celebrates the contribution of fathers to their own families and society at large. On this day, children get a chance to appreciate their fathers and father figures -all the people who have played a vital role in their lives.

As a part of celebrating Father's day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, wished their fathers with flowers as a token of love towards them. It was a good experience and a memorable experience to all the cadets.

WORLD MUSIC DAY

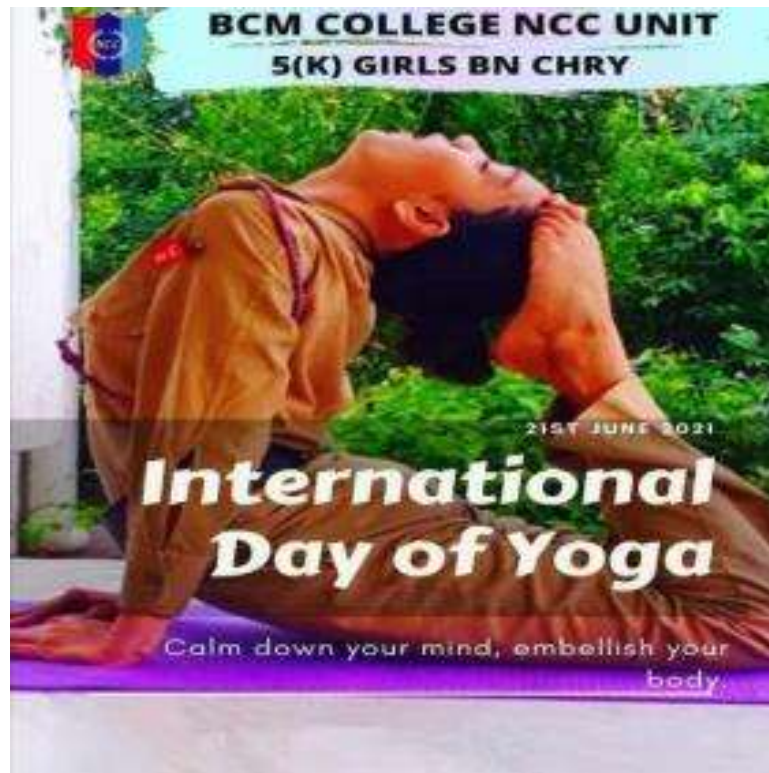

World Music Day is an annual celebration observed on 21st of June all around the world. It is a day to encourage young and amateur musicians to perform. On this day, known as Music Day or Make Music Day, anyone can play their favourite instruments for enjoyment and relaxation. More than 120 countries commemorate this day as people organise free public concerts in parks, stadiums, and public places, mostly for music lovers and learners.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of celebrating World Music Day, coined a video on showing the importance of music's and musical instruments in our daily life. It was a good experience for all of the cadets.

INTERNATIONAL YOGA DAY

International Yoga Day is celebrated every year on 21st of June. The United Nations has marked the day to raise awareness about the several benefits of practising Yoga for people all over the world. The date was chosen as June 21 is the longest day in the Northern Hemisphere. The word Yoga is originated from the Sanskrit word Yuja which means - 'to join or to unite.' It symbolises the union of body and mind. Yoga practice has been dated to pre-Vedic Indian traditions, known to help cure mental and physical diseases and maintain fitness.

As a part of observing International Yoga Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, created a video on showing different poses in Yoga by the cadets. It was a great experience in which the cadets could acquire more knowledge about various poses and the benefits of Yoga in day today life.

<https://youtu.be/q1c5cSTeZMg>

WEBINAR ON YOGA

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle strength and body tone. It improves respiration, energy and vitality.

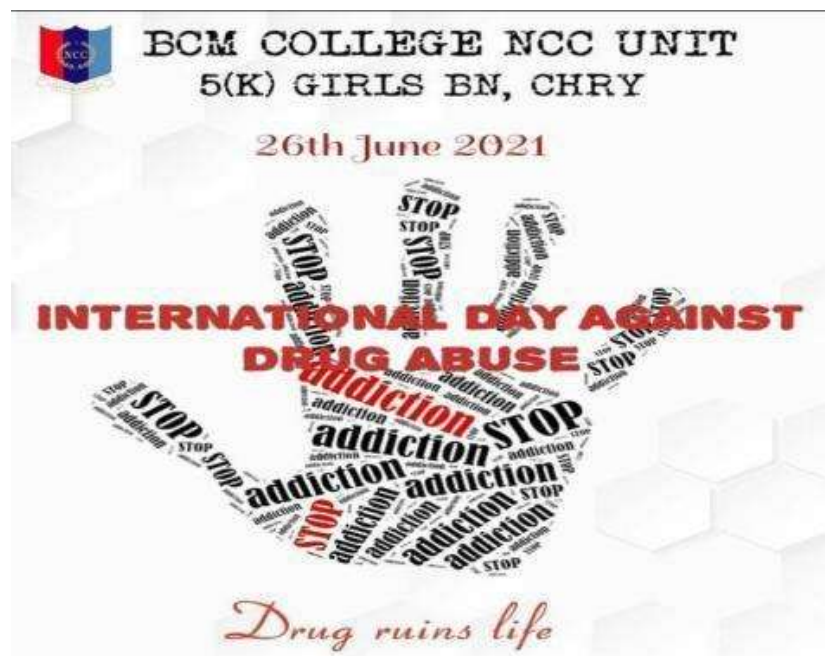

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reerja PS, as a part of observing International Yoga Day, conducted a webinar with resource person Arjun sir, member of Isha foundation. It was an informative and fruitful webinar in which the cadets could understand more about different yogasanas.

INTERNATIONAL DAY AGAINST DRUG ABUSE

Drug addiction awareness is all about encouraging users and those affected to open up. It can be a heavy topic, but coming together presents us with power. Whether it's you or a loved one struggling, keep reading to learn more about drug addiction awareness.

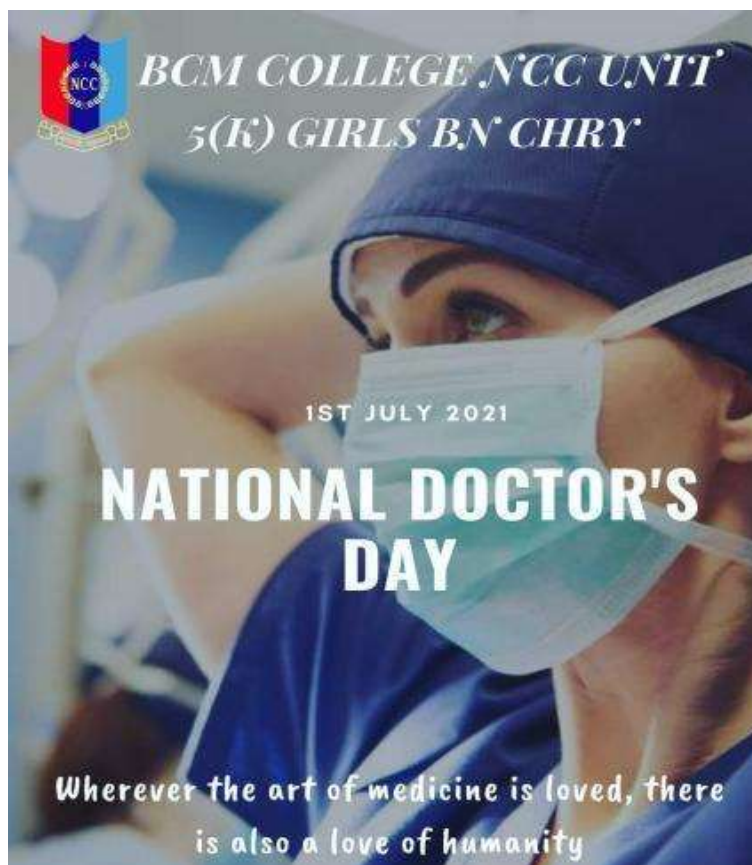

As a part of observing International Day against Drug Abuse and Illicit Trafficking, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted an intercollegiate speech competition in order to create awareness about the drug abuse. It was a good experience for the cadets as well others to know more about the hazardous effects of drugs.

The International Day against Drug Abuse and Illicit Trafficking is observed on 26th of June every year with the aim to create awareness about issues related to drugs and strengthening action and cooperation in order to make the world free of drug abuse. Across the world, many individuals, organisations and communities come together every year on the International Day against Drug Abuse and Illicit Trafficking to inform people about the problems faced by society due to illegal drugs.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, keeping in mind the theme of this year - 'Share Facts on Drugs, Save Lives', the cadets wrote articles about the importance of observing this day and making the public aware about the bad impacts of drug abuse.

NATIONAL DOCTOR'S DAY

Every year, the 1st of July is observed as National Doctors' Day in the memory of Dr. Bidhan Chandra Roy, who had his birth and death anniversary on the same day. Dr. Roy, was the former Chief Minister of Bengal, who has known for his selfless service. The day, commemorated by Indian Medical Association (IMA), is dedicated to all the doctors and healthcare workers who have been serving people by risking their lives even in times of the deadly pandemic.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of celebrating National Doctor's Day, the cadets went to District hospital and wished the doctors with bouquets for their selfless service. It was a good experience for the cadets.

VAN MAHOTSAV WEEK

Van Mahotsav or Forest Festival is an annual tree-planting festival celebrated in the month of July in which thousands of trees are planted all over the country. Van Mahotsav week is celebrated from 1st July to 7th July to spread awareness of forest conservation and to save the environment. The Van Mahotsav week is a reminder that we must protect forests and stop deforestation and practice the 3R rule- Reduce, reuse and recycle.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative in observing Van Mahotsav Week by doing various activities which reminds us the importance of conserving our forest and ecosystem.

TASK 1

VIDEO ON HISTORY, WHY AND HOW VAN MAHOTSAV

Van Mahotsav was initiated in 1950 to celebrate the importance of growing and saving forests and to create awareness about the bad effects of deforestation, which is a great initiative. Forests and trees help us to maintain ecological balance and keep the carbon footprint low.

As a part of observing Van Mahotsav Week, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, coined a video on the significance of conserving the forest by afforestation. It was a great opportunity for the cadets to know more about the importance of protecting the forests.

TASK 2

QUIZ COMPETITION

Van Mahotsav raises the awareness of trees among people and highlights the need for planting and tending trees as one of the best ways to prevent global warming and reduce pollution. Forests and trees help us to maintain ecological balance and keep the carbon footprint low, but still trees are being felled and burnt without any concern for the ecological damage being caused and all this despite the awareness about the importance of trees and the significance of planting new trees.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of celebrating Van Mahotsav Week, a quiz competition was conducted for the cadets in order to make aware about the importance of promoting afforestation and forest conserving. The quiz made the cadets to know the importance of conserving the evergreen economy.

TASK 3

TREES OUR BEST FRIENDS

Trees are our best friends. They play a very important role in our life. We cannot live without them. They give us timber, paper and firewood. Trees provides us free living sources. They give oxygen without which we cannot live more than about two minutes. They also helps in reducing pollution as well soil erosion.

As a part of observing Van Mahotsav Week, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted a photography contest with topic 'Trees Our Best Friends', to make others aware about conserving and planting trees rather cutting down for human needs. It was a great experience for the cadets.

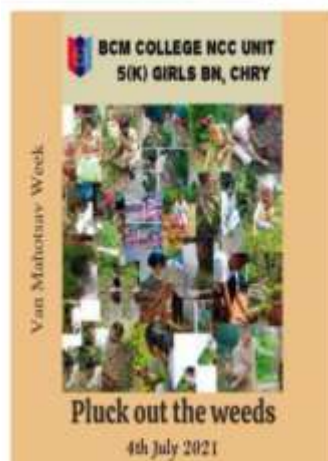

TASK 4

PLUCK OUT THE WEEDS

Weeding is the process of killing weeds and eradicating them from an area. Weeding is important because weeds are typically invasive, aggressive plants that destroy the environment they live in. If they're allowed to grow unchecked, they can completely take over an area and make it so it's extremely difficult to ever recover. Weeds will literally attack, bully, and choke other plants and even each other. They purposely grow around more desirable plants, and invade their root space.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative and plucked out the weeds in their surroundings as a part of observing Van Mahotsav Week. It was a good experience for the cadets in which they could know the importance of weeding.

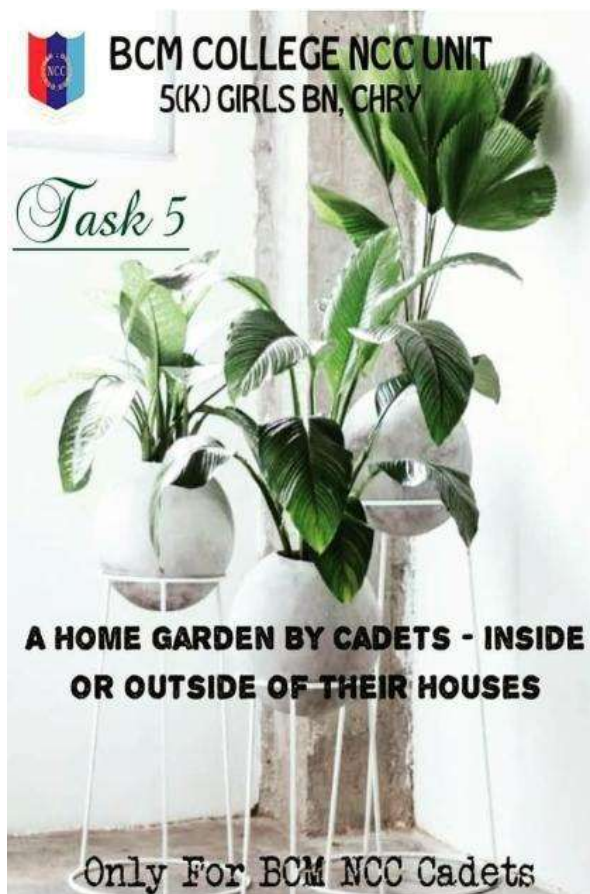

TASK 5

HOME GARDEN

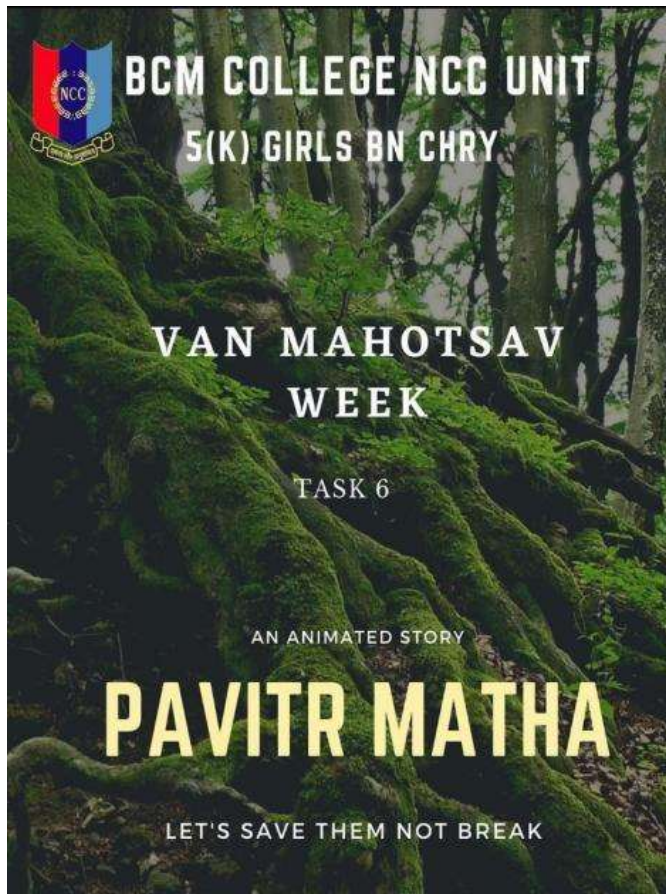

Gardens are important to the planet because, despite being human-made, they represent a natural environment. Plants and trees grow there, taking in carbon and releasing oxygen. The roots of these plants stabilize the soil and filter water.

As a part of observing Van Mahotsav Week, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative and made a garden in their home and surroundings. This helped the cadets to make people aware about the necessity of gardening.

TASK 6

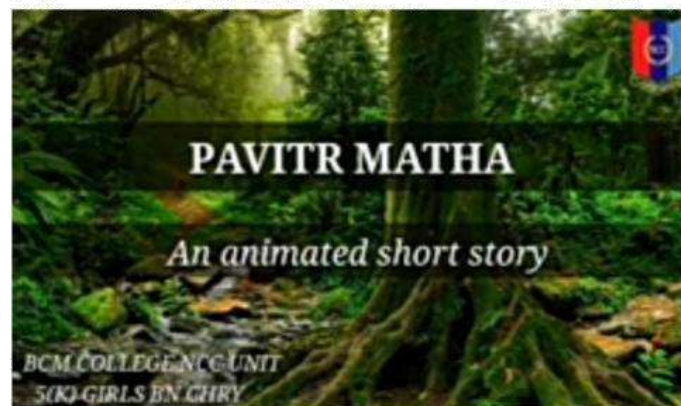

PAVITR MATHA

Trees are essential to life on Earth. They play important ecological, cultural and economic roles. Trees support species diversity, food webs, habitats and numerous ecological processes such as water and air purification. The importance of trees in regulating climate and soil fertility is essential for the planet.

As a part of observing Van Mahotsav Week, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, created an animated short story video in bringing the importance of conserving trees in the ecosystem. The video made cadets more informative in taking care of the environment.

<https://youtu.be/TWbgzcP-ic>

TASK 7

PLANT A SEED OF HOPE

Trees greatly contribute to their environment by providing oxygen, supporting wildlife, improving air quality, conserving water, preserving soil, and climate amelioration. Trees take in the carbon dioxide in the air and produce oxygen for living, breathing organisms around it.

As a part of observing Van Mahotsav Week, each cadet of the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, planted a tree in their own garden. It was a good experience for all the cadets to be a motivation for others in showing the importance of planting and conserving trees rather than cutting them down.

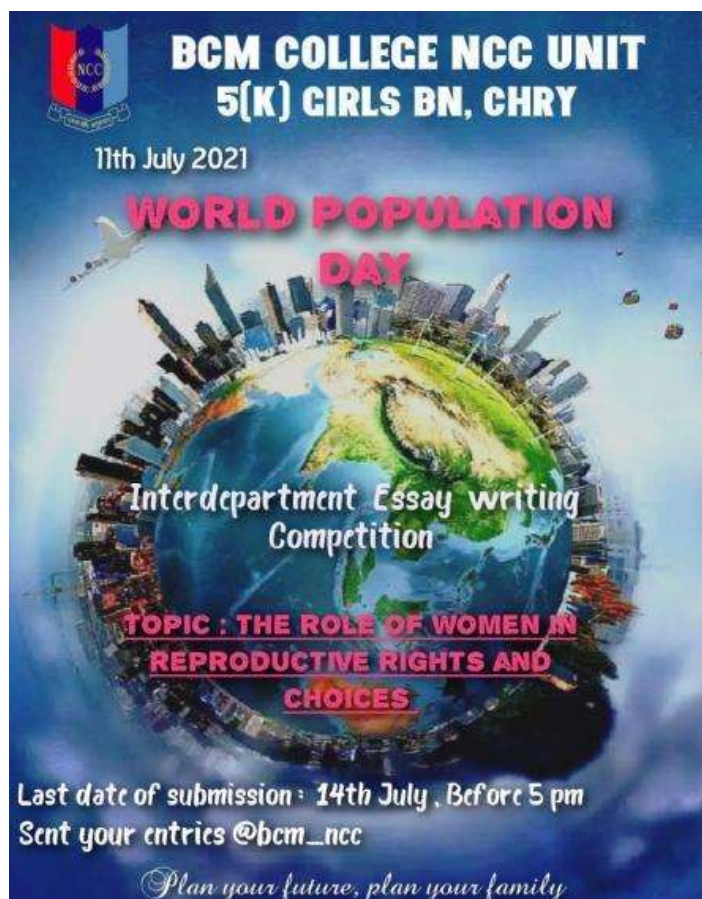

INTERNATIONAL PLASTIC BAG FREE DAY

International Plastic Bag Free Day is observed on 3rd of July and is dedicated to raising awareness about the very real and pressing issues of plastic pollution. International Plastic Bag Free Day was created by Bag Free World. It was created as a worldwide initiative for the sole purpose of getting rid of the single-use of plastic bags around the world. It is about promoting environmental conservation by encouraging us all to stay away from the use of plastic bags and opt for eco-friendly alternatives.

As a part of celebrating International Plastic Bag Free Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, made crafts products with plastic bags in order to make people aware about the importance of reducing plastics in their day-to-day life. It was a good experience for the cadets.

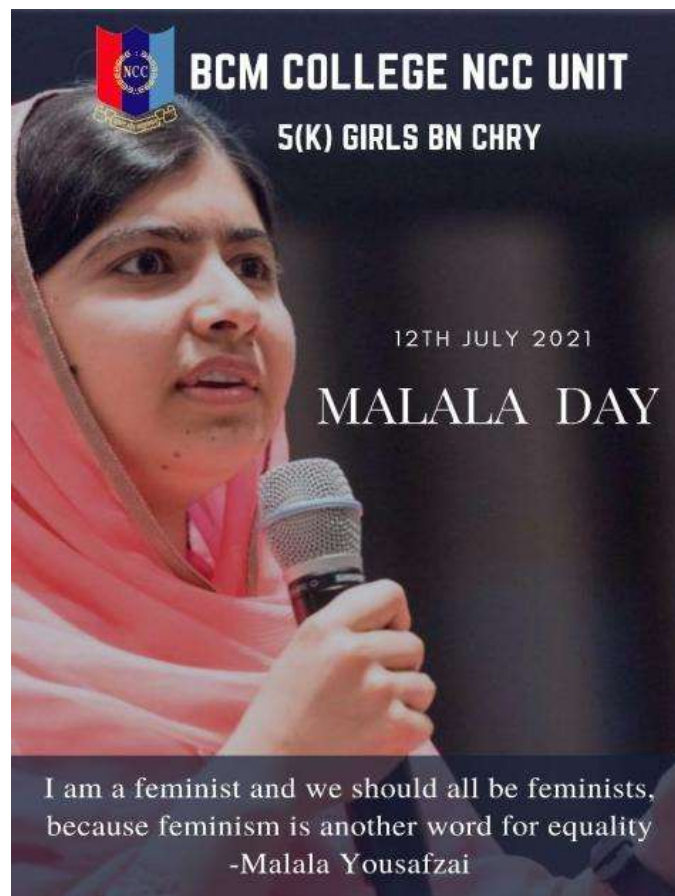

WORLD POPULATION DAY

World Population Day is observed every year on 11th of July. The main purpose of this day is to draw attention towards the issues arising out of rising population across the globe. The day is observed with the goal of highlighting the difficulties created by overpopulation and raising awareness about how overpopulation may harm the ecosystem and progress of humanity. This year, the theme of World Population Day 2021 was 'the impact of the Covid-19 pandemic on fertility'.

As a part of observing World Population Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted an interdepartment essay writing competition, with the aim to create awareness about the importance of population and population explosion.

INTERNATIONAL MALALA DAY

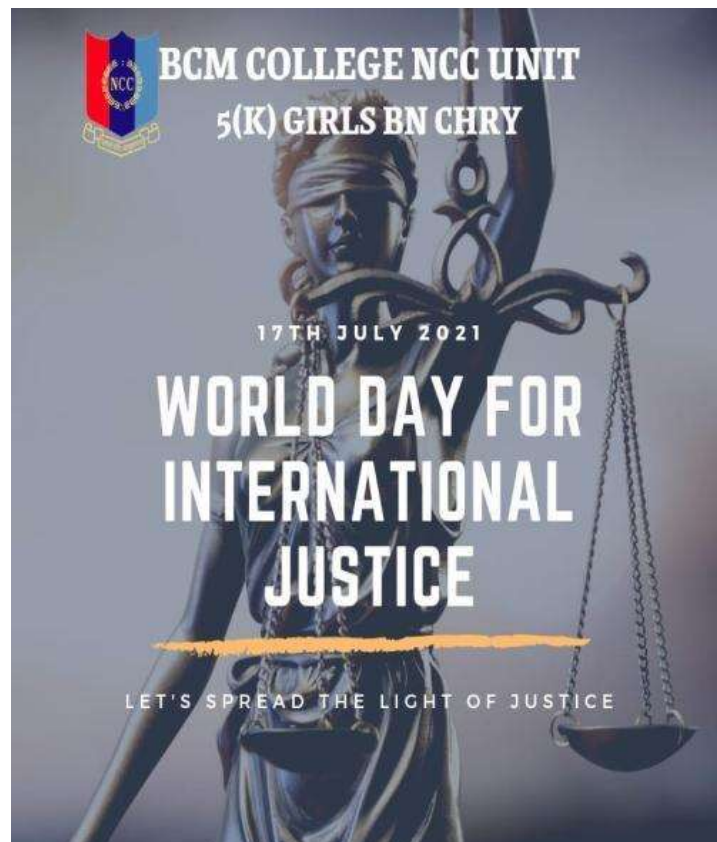

International Malala Day is celebrated every year on July 12 to salute the Pakistani activist, Malala Yousafzai. Malala, who worked for women's right to education across the globe, was never allowed to enter school as a young girl. But unlike many, Malala did not accept it and refused to stay at home. She raised her voice for education being provided to young girls and got nearly killed for that.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of observing International Malala Day, coined a video on showing the importance of education among women and children. The video made the cadets more informative and was an inspiration on the need to rise up for our rights.

WORLD DAY FOR INTERNATIONAL JUSTICE

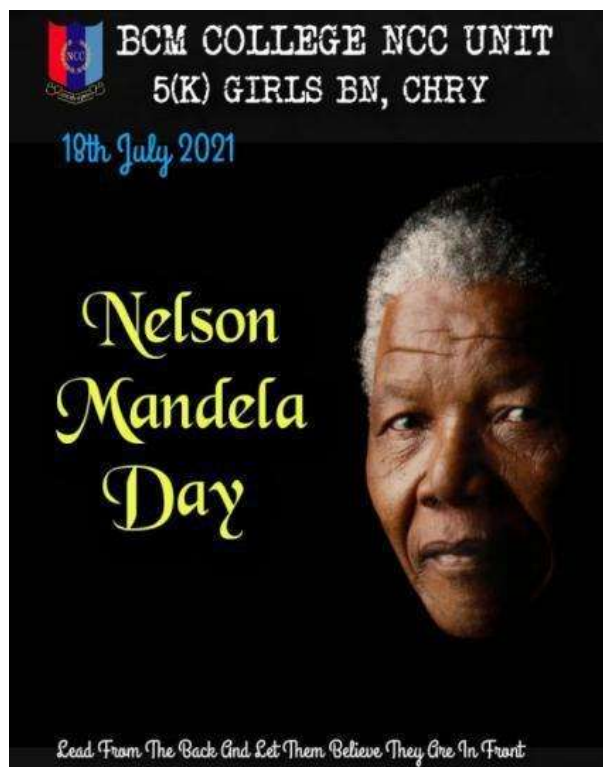

World Day for International Justice is observed across the globe on 17th of July every year to mark an emerging modern system of justice against international criminal acts. The day is celebrated by honouring individuals working to advocate the fundamental human rights of victims affected by criminal acts. People also come together around the world to host events promoting international criminal justice and support for the ICC.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of observing World Day For International Justice, coined a video on lighting the candle by the cadets in order to convey the message on the need of justice for all citizens.

<https://youtu.be/ap8k4DMX6ao>

NELSON MANDELA DAY

International Nelson Mandela Day is observed every year on 18th of July to mark the birth anniversary of Nelson Mandela. This day is popularly known as 67 Minutes Mandela day. Nelson Mandela was the South African President who fought for 67 years for social justice and democracy. He is referred to as the “Father of the Nation” and was the first black head of the state. His contributions include service to humanity as a human rights lawyer, a prisoner of conscience, an international peacemaker, and the first democratically elected president of a free South Africa. The day is an occasion for everyone to take action and inspire change.

As a part of observing Nelson Mandela Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, created a video on holding pluck cards with the famous quotes of Nelson Mandela written in it. It was good experience for the cadets to know more about the late South African President <https://youtu.be/z9hlgG-YEUU>

KARGIL VIJAY DIVAS

Kargil Vijay Diwas is celebrated on the 26th of July every year in honour of the Kargil War's Heroes. This day is celebrated in the Kargil–sector and the national capital, New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at India Gate every year. Functions are also organized all over the country to commemorate the contributions of the armed forces.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative and with great enthusiasm, directed a short film to honor the sacrifice of Kargil heroes. The cadets also coined 11 videos as a part of observing Kargil week on honouring some of the heroes of Kargil. It made the cadets know more about how the soldiers protect our nation by sacrificing their life.

QUIT INDIA DAY

The Quit India Movement was an important milestone in the Indian freedom struggle. Under the leadership of Gandhi, people across India came together to uproot imperialism. On this day in 1942, Gandhi gave the clarion call of "Do or Die" to all Indians to drive away Britishers from the country. The movement had begun from Gawalia Tank in Mumbai. The day is observed as August Kranti Day every year.

As a part of observing Quit India Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted an intercollegiate quiz competition to portray the importance of the struggle faced by the freedom fighters of that time.

JOHN STEINBECK

INTERNATIONAL YOUTH DAY

The International Youth Day is celebrated and observed every year on the 12th of August across the world. The day is marked for giving new initiatives and action taken by the youth. Also, on this day, the government and citizens come together to bring attention towards the problems faced by the younger generation.

As a part of observing International Youth Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, conducted an interdepartmental quiz competition and the students who scored above 75% were awarded e- certificates. This was a good experience for the cadets to mark the importance of youth in this generation.

INDEPENDENCE DAY

India's Independence Day is significant as it stands as a reminder of the sacrifices that many freedom fighters made to get independence from British rule. It is a national holiday and it is usually observed throughout the nation with the hoisting of the tricolour, parades and cultural events. India's first Prime Minister Jawaharlal Nehru raised the Indian national flag above the Lahori Gate of Red Fort in Delhi on August 15, 1947.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, very proudly and enthusiastically celebrated the 75th Independence Day. The flag was hosted in College by the

Vice Principal Dr. Annu Thomas and the parade was conducted by the cadets under the leadership of ANO Lt. Dr. Reeja P S. Also, as a part of celebrating Independence day, painting competition, patriotic song competition and fancy dress competition were held by the cadets.

Winners were selected and awarded with certificates which made them more joyful and proud of the nation's Independence. <https://youtu.be/2LPs8Apzpy4>

WORLD HUMANITARIAN DAY

World Humanitarian Day is marked on 19th of August annually to honour humanitarians across the world. The day is observed to pay tribute to people who sacrificed their lives despite the odds and continue to provide protection and life-saving support to people in need. Humanitarians constitute a large number of people who risk their lives to support various humanitarian causes and save other people. They are regarded to be the people who are the first to react to such world crises and the last ones to leave.

As a part of observing World Humanitarian Day, the BCM College NCC unit under the leadership of ANO Lt.Dr. Reeja PS, observed Humanitarian week by coining videos on paying tribute to famous personalities who sacrificed their lives for the people in need. It was a good experience for the cadets.

Despite All Odds & Personal Loss, KS Sarojamma Relentlessly Fights Against Child Labor

As per the Ministry of Labour & Employment statistics, in 2011, over 4.25 million children between the ages of five and 14 were being illegally employed.

Across the country, many NGOs and social activists are tirelessly working towards ending the exploitation and if there's one name which has made remarkable progress in banning child labor, then it's Karnataka.

And the credit goes to one lady, **KS Sarojamma**, who has religiously worked and dedicated her life to ending child labor. It was in the early 80s that Sarojamma, a researcher by profession, started this cause. In Karnataka, most of the laborers, who are working in the mines, are being exploited by the owners of the mines. The young children who work as laborers in the mines are being exploited.

WORLD MOSQUITO DAY

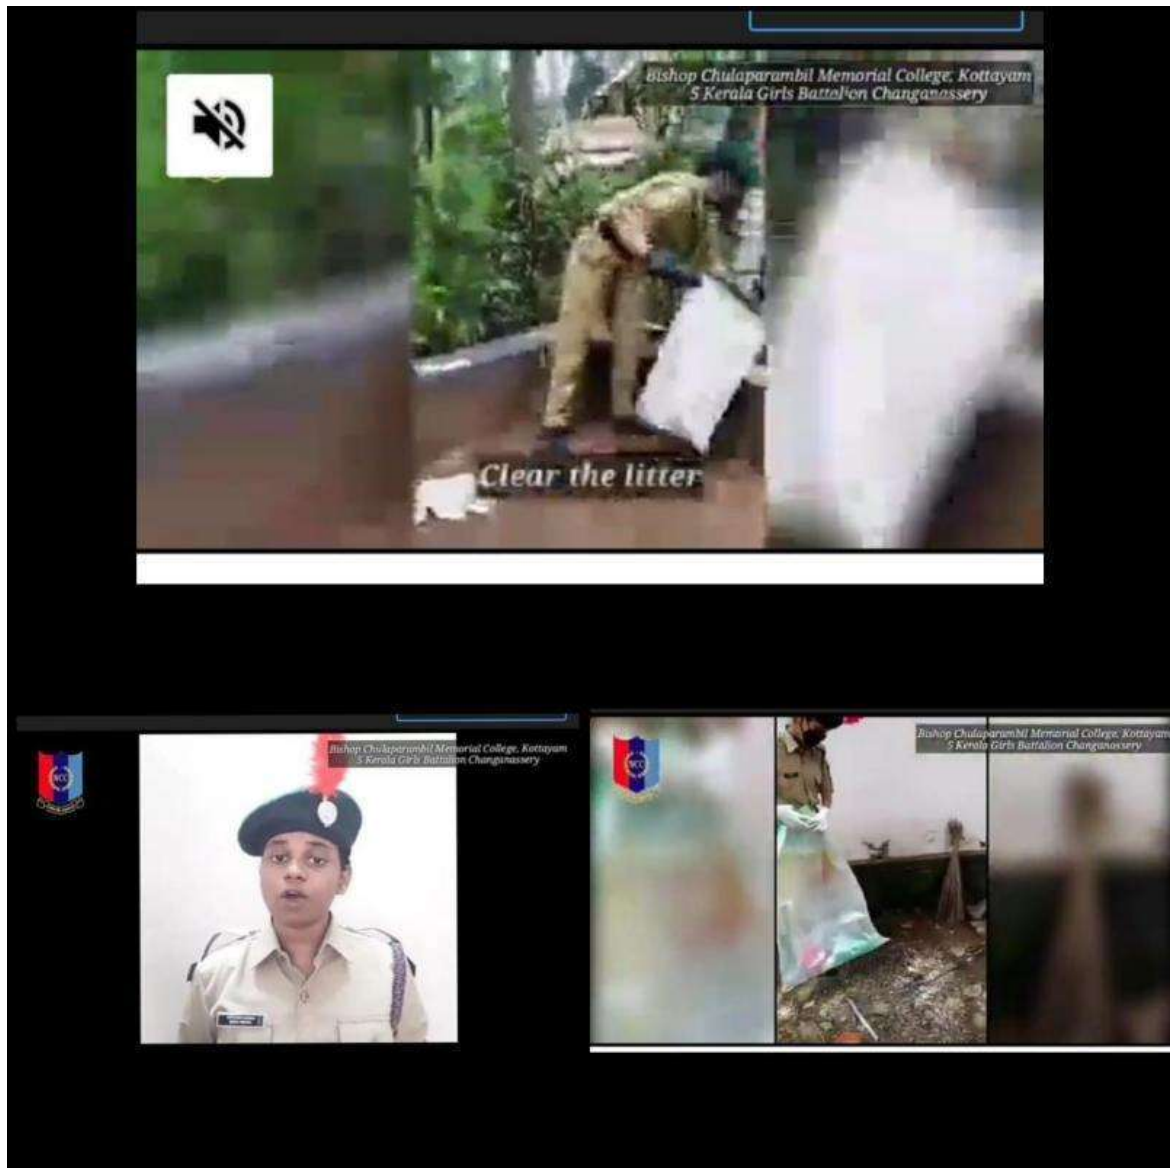

Every year, 20th of August is observed as the World Mosquito Day to raise awareness about the illness and disease caused by mosquitos. It marks the day when Sir Ronald Ross discovered the link between female mosquito and malaria, which changed the course of medical history. The mosquito is possibly the only predator in human history to have thrived through millennia, bringing death and destruction through a variety of vector-borne illness, particularly malaria.

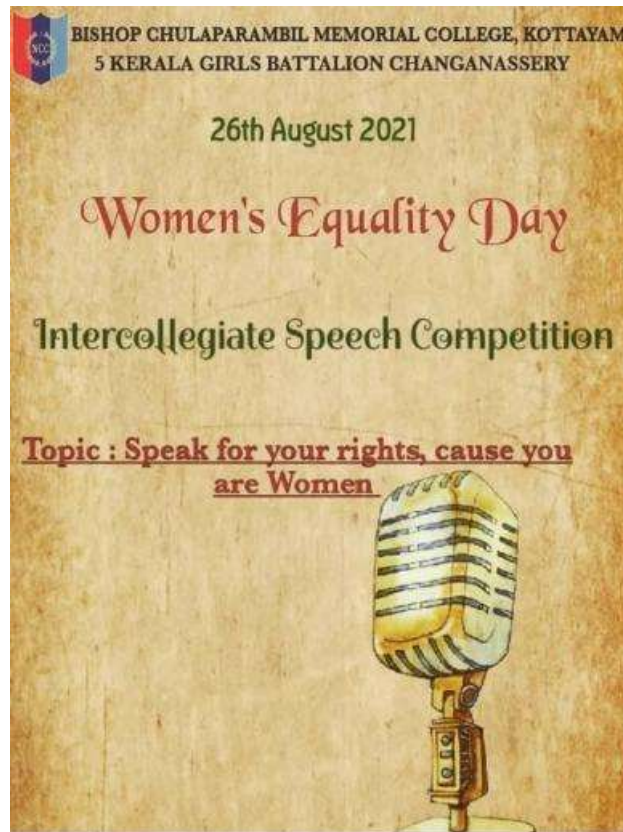

As a part of observing World Mosquito Day, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, took initiative to observe a dry day by cleaning the home and

surroundings in order to wash away the breeding grounds for the mosquitoes. This made the cadets more aware about the vector bone diseases caused by mosquitoes.

WOMEN'S EQUALITY DAY

The Women's Equality Day is observed every year on 26th of August. The commemoration of this day marks the advancement of women's rights in one of the most advanced nations of the world as well as reminds its citizens of what more can be done to achieve true equality. The day draws attention towards the struggle women have undertaken to gain political rights and remembers how far they have come after gaining the right to vote.

As a part of observing Women's Equality Day, the BCM College NCC unit under the guidance of ANO Lt. Dr. Reeja PS Mam , conducted an intercollegiate speech competition in order to get an exposure and proper understanding about the role of women in the society. It was a satisfying experience for the cadets as well as the participants to be a part of the revolution.

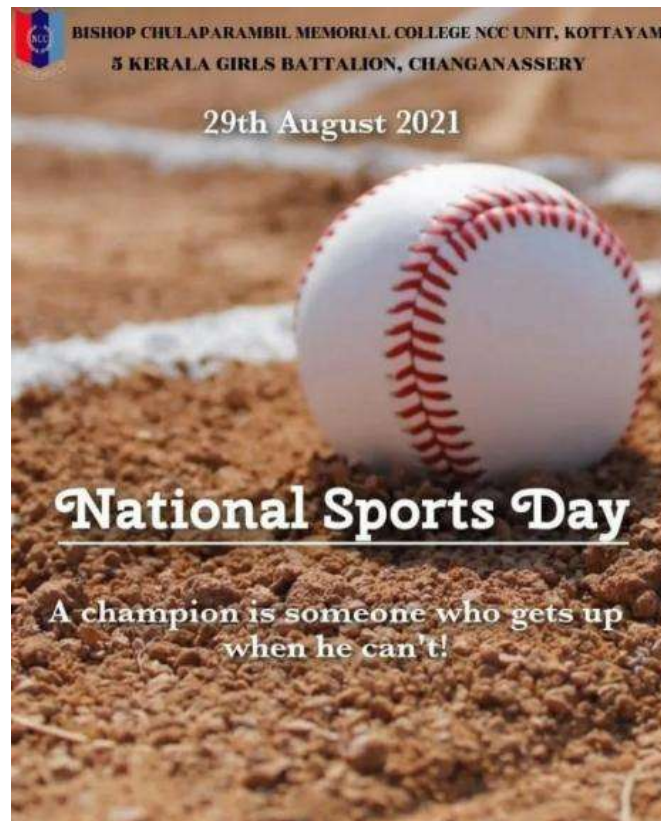

EQUALITY STILL A DREAM FOR WOMEN

Women's Equality Day is celebrated on 26th of August to raise awareness of women's equality and the success they have achieved in various sectors. For ages, women are still behind when it comes to equal pay and status in jobs and society.

The BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS, as a part of observing Women's Equality Day, organized a webinar on 'Is Equality Still a Dream for Women?' with the resource person Adv. Manju Manohar (B.com LLB). There were 69 cadets who enthusiastically attended the webinar. This was an opportunity for the cadets to know more about the rights of women as well as to clear their queries regarding the laws associated with their protection.

NATIONAL SPORTS DAY

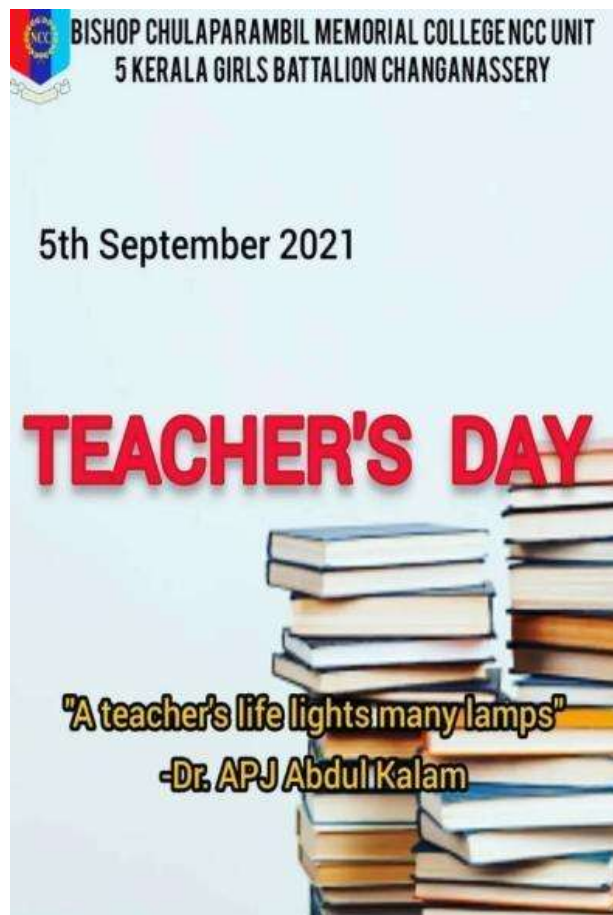

National Sports Day is celebrated on 29th of August in order to honour the legacy of Major Dhyan Chand and acknowledge the importance of sports in our life. Various programs, events, seminars etc. are organized by the government to raise awareness about the significance of physical activities and sports in our daily lives.

In order to raise the importance of sports and physical activities, the BCM College NCC unit under the leadership of ANO Lt. Dr. Reeja PS observed the National Sports Day by involving in various sports with their neighbors and siblings. It boosted the cadets in many ways and also was a good experience to them. Sports indeed helps us to keep fit and be lively and energetic. Starting a day by engaging in any sports activities makes the day more productive.
