1. INTRODUCTION

The Feedback committee is responsible for collecting, analysing and preparing the feedback report on the curriculum. The IQAC of the college is responsible for constituting the feedback committee. The feedback committee is a recommending body to the college council and the IQAC.

2. FEEDBACK COMMITTEE (2016-17)

This year's feedback committee consisted of

- Ms. Ponnu Liz Malieckal (Department of English),
- Ms. Shalini Thomas (Department of Economics) and
- Ms. Elizabeth Johny ((Department of Commerce)

This Committee would be responsible for distributing, collecting, filing, analysing and directing the actions taken based on the feedback. This committee acts as an advisory body to the council, allowing them to make changes based on the feedback collected from the previous year. The collected feedback is analysed and suggestions are made to the committee based on the report.

The stakeholders of this feedback are: students, teachers, alumni and employees.

3. FEEDBACK METHODOLOGY

The feedback is collected from the employers by distributing a well-structured questionnaire which is prepared by the feedback committee through the teachers of each departments. Employers' feedback is collected primarily through the filled questionnaires. After collecting the feedback, it is put for further analysis, and the summary is submitted to IQAC for different implementation. Once the IQAC is convinced of the changes, they put it forward to the Governing Body, where the changes are implemented. The feedback summary report is submitted to MG University also.
