Article 2. Management

2.1 Director of the First party and the Vice-Chancellor/Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.

2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

3.1. The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.

3.2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.

4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.

4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.

4.4 Any research publications arising will be jointly published in accordance with the provisions laid out in Item 3.2.1C of the Guidelines for the students to conduct research for their degree programme as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised guidelines, if any, as may be issued from time to time.

4.5 A copy of the thesis/dissertation will be submitted to the First Party after the award of the degree by the Second party.

4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.

4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.

4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

Article 5. Intellectual Property Rights

5.1 The Second party will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The ICAR as the first applicant (for its institute) and the Second party shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/breeder/author. The 'ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization' as amended from time to time shall be the reference for exploitation of the generated intellectual property, whose management and benefits sharing shall be mutually decided in each case.

Article 6. Admission and Fees

6.1 All those who wish to register as trainees or for Master/Doctoral programme under this MoU must apply for admission at the Second party. The allocation of Major Guide/Advisor would be finalized before the registration and will be governed by the provisions laid out in Items 3.2.1A and 3.2.2A of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time, for the students from within NARS and outside NARS, respectively.

6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the Second party as per the rules and regulations.

6.3 Allotment of the students at the First party will be done by the approval of Director of the First party and Vice-Chancellor/Head of the Institution of the Second party.

6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.

6.5 The HRD Cell of the First party in consultation with the representative of the Second party shall decide the location and sharing quantum of research work.

6.6 The number of student(s) at any particular time will be subjected to the availability of research facilities and scientists' time to guide thesis research at the First party institution.

6.7 Any student(s) admitted to the First party for training/postgraduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.

6.8 Fees will be charged from the students by the First party as per Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions vide Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as

because of any other reason, then, in that case the MEMBER shall be liable to contribute for the same proportionate to its disposal of Hazardous Waste quantity in KEIL site.

11.3. Both the parties hereto agree that in any event of there being order in form of any injunction, stay or otherwise from any Court, KS-PCB or any other Authority stopping the functioning of the Site or otherwise whereby KEIL becomes unable to accept the Hazardous Waste of the MEMBER, KEIL shall not be responsible or made responsible and / or be liable in any manner in that regard and that in such an eventuality, it shall be the responsibility of the MEMBER to get the needful done in respect of disposal of its Hazardous Waste.

12. **PREVIOUS CORRESPONDENCE :**

12.1. All discussions and meetings held and correspondence exchanged between KEIL and the MEMBER in respect of the AGREEMENT and any decisions arrived at therein in the past and before the coming into force of the present AGREEMENT are herein superseded by the present AGREEMENT and no reference of such discussions or meetings or past correspondence shall be entertained by either KEIL or the MEMBER for interpreting the present AGREEMENT or otherwise.

13. **LAWS GOVERNING THE AGREEMENT**

13.1. The present Agreement shall be subject to Indian Laws, rules and regulations and notifications etc. issued under such laws.

14. **AMENDMENTS :**

14.1. KEIL may at any point of time make suitable changes in the present Agreement after serving a notice to the MEMBER.

15. **TERMINATION OF AGREEMENT**

15.1. M/s. KEIL has the unrestricted right to terminate this AGREEMENT and deduct its all pending claims from the deposit paid by the MEMBER.

15.2. This AGREEMENT can be terminated by either party after giving a written notice of at least 90 days to the other party. If the cancellation is requested by the MEMBER, the provision relating to minimum charges shall be applicable, also during the notice period.

15.3 As per Section 8 of Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016, the generators of hazardous waste are

Memorandum of Understanding
Between
Bishop Chulaparambil Memorial College (BCM College),
Kottayam-686 001, Kerala and
Total Response to Alcohol & Drug Abuse (TRADA),
Manganam P.O., Kottayam-686 018, Kerala

This Memorandum of Understanding (MoU) sets for the terms and understanding between **Total Response to Alcohol & Drug Abuse (TRADA),** Manganam P.O., Kottayam Dt., Kerala - 686 018 and BCM College, Kottayam, Kerala involving conduct of Field Work and other academic enrichment programmes.

Objective & Significance of Field Work

The nucleus of Social Work Education is Field Work. Internship, Summer Placement, Concurrent Field Work and Block placement are fundamental components of the curriculum. The concurrent and block placements are the central mechanism for transmitting theoretical knowledge into the practical level of work. Practice learning in social work training plays a pivotal role in providing the students with an opportunity to explore learn and develop professional skills necessary for working with people. The internship and block placement programs offer hands on experience and will prepare trainee to practice a career relevant to their specialization. Also the training on different therapies and other related inputs for improving the skills of Social Work trainees are very important during the Masters programme in Social Work
