## **Report of Walk With a Scholar (WWS)**

**2019-2020**

Walk with a scholar (WWS) is a noble initiative by the Department of Collegiate Education, Government of Kerala. The scheme has been designed to arrange specialized mentoring programs for students in undergraduate Programs in Arts, Science and Commerce streams. The scheme originally introduced the idea of mentoring, building on the concept of Mentor as a “Guide and Friend”.

### **Rationale and Philosophy**

There are several successive models that apply to teaching-learning processes in higher education. One of the most prominent themes in these models is to develop students into scholars. A scholar is one who engages in critical thinking, takes an active role in the learning process, understands multiple perspectives, is internally motivated to learn, and is socially conscious. Keeping in mind these aspects and the perceived needs of our college students, WWS aims to nurture a scholarly attitude among selected bright college students in all disciplines, provide them with learning opportunities to help sharpen their academic and critical thinking skills, help them confidently pursue their personal and academic goals, and guide them to develop into socially responsible citizens. The program’s emphasis is on nurturing bright students to transform into scholars in their respective disciplines and providing them with a perspective to apply knowledge related to their disciplines in socially useful ways.

### **Internal Management of WWS at Bishop Chulaparambil Memorial College Kottayam**

#### **Coordinator**

The Walk With a Scholar program at Bishop Chulaparambil Memorial College Kottayam is coordinated by Mr. Jipin V. Jimmy, Asst. Professor in Commerce.

### **Monitoring Committee**

The scheme is monitored by a monitoring committee consisting of the following members

- Dr. Annu Thomas – Vice Principal
- Dr. Stephy Thomas – IQAC Coordinator
- Dr. Neethu Joseph – Senior Faculty
- Dr. Reeja P.S. – Senior Faculty
- Ms. Jeeja Joseph – Head Accountant in charge of Superintendent
- Ms. Swekha Sara Jacob – College Union Representative

The monitoring committee meets regularly and suggests recommendations to the coordinator.

Coordinator functions in accordance with the instructions of the monitoring committee.

### **Selection of Departments for WWS**

Further to the recommendation from the monitoring committee, an introduction of Walk With a Scholar program was given to the first year students by the coordinator Mr. Jipin V Jimmy during their induction program organized by the college. Further to the introduction to the program, applications were invited from students which include their resume along with the copy of plus two mark lists. Students had to mention their aim of joining the program mandatorily. As per the modified instruction from collegiate education, only five departments of six students each can alone be selected for the program. Among the applications received from the departments, six applications each were received from the department of Physics, Chemistry, Zoology, Commerce, Sociology and Mathematics. Since one department had to be excluded, the existing number of students from the above departments were counted and found that the department of Mathematics has the highest number of students among second and third year mentees (14 out of 60). Hence the department of Mathematics was excluded from the list and the remaining 5 departments were selected. Applications from the five departments were shortlisted based on their plus two marks and six students each were selected.

### **Internal Mentors**

Internal mentor is a person who is able to mentor and support the scholar and act as a guide in building his/her career. The internal mentors were suggested by the monitoring committee and the consent of them were sought after getting the approval from the Principal. They include
