THE STUDENTS CHARTER

BCM College expects all students to act responsibly as members of a higher education academic community and as young adult citizens valuing the rights of others. Each student is expected to know and observe the College Code of Conduct. They are to respect established standards of personal conduct and copyright laws. They are not allowed to resort to illegal or unauthorized possession of alcohol, drugs or weapons. They cannot indulge in indecent or obscene behaviour. Being part of a wider community, students should also use opportunities to be of service to others through outreach community service programmes.
