POLICY ON EDUCATION AT THE INSTITUTION

1. The education policy of Bishop Chulaparambil Memorial College seeks to provide answers to questions on the purpose of full-fledged education with its objectives aimed at personal and societal levels
2. The aspect of the educational and curricular policy is to enable students to develop themselves and become professionally equipped in both aided and self-financing streams.
3. Education on campus gives due importance to the inclusiveness of students in all categories of learning and is dedicated towards empowering them, leading them towards developing a budding and dynamic personality whilst maintaining core humanistic values associated with the institution's vision and mission and development of an integral individual and community
4. The institution is committed to the safety, happiness and well-being of its students.
5. Involvement of students in the teaching-learning process by interaction and involvement is compulsory.
6. Certificate, add-on and zero-credit courses are offered in various programmes to enhance the skill value of students in the changing employment scenario.
7. Periodic assessments are to be done for all level learners to determine their progress.
8. The College handbook and calendar are to be provided to every member of the BCM family and followed. Revisions and modifications are to be done periodically by the team selected annually.
9. Every programme on campus is important, and the programme outcomes are to be monitored periodically.

10. It is to be ensured that every student who leaves the portals of the campus is equipped with sound knowledge, skills and a personality that makes them stand apart from others.
