Two Day National Science Day Celebrations 2K17

Sponsored by: Kerala State Council for Science, Technology and Environment, TVM Supported by: Department of Science and Technology, Govt. of India

The two-day National Science Day celebrations 2K17 was organised on 16th and 28th February 2017, with the sponsorship of KSCSTE, TVM.

On 16th Feb Dr. Smitha V Thambi, an alumnus and a scientist in VSSC Trivandrum inaugurated the NSD celebrations.

16.02.2017:

Scientific Talk: Dr. Smitha V Thambi delivered a talk on 'MARS AND SPACE RESEARCH'. It was an informative as well as a boosting talk for us. The talk made genuine interest on the topic among the participants. We were all inspired by her words.

16.02.2017:

All Kerala Inter-Collegiate Essay Competition: An all Kerala Inter-Collegiate Essay Competition on the NSD theme "Science & Technology for specially abled persons" was announced on 31st Jan 2017. The essays were received till Feb 9th and after the first-round evolution best five essays were selected for final presentation on 16th Feb 2017. Ms. Manisha M. S. B. College received first prize.

28.02.2017: Workshop on Basic Computer Literacy for specially abled students (An extension Activity): Our students visited St. John of God Special School, Annadivayal, Pampady, and conduct a workshop on Basic Computer Literacy. Many specially abled children showed responded positively towards the workshop. It was also a good learning experience for us.

1.3 Photo Exhibition

1.3.1 Exhibition on Madam Curie Day

A photo exhibition on "Life and Contributions of Madam Curie" was conducted on 5 July 2016. Madam Curie Day, in association with Breakthrough Science Society. The programme was inaugurated by Prof. Sheela Cherian, Principal, BCM College Kottayam. The purpose of the exhibition was to create awareness among the students and to give deeper knowledge about the life history and contributions of the well-known scientist 'Madam Marie Curie.'

1.4.2 Guruvandanam

Guidance, friendship, discipline and love, everything in one person, and that is our teachers. Guruvandanam was organized to honour and respect our retired faculty members on 16th Feb 2017 at 3 pm. The interactive section between teachers and students was a shower of blessings for us. Also they surprised us with a stunning Kathaprasangam performance.

1.5 Student Development Programmes

1.5.1 Personality and Career Development Programme

To explore the new world of opportunities, the third-year students attended the personality and career development programme Edu-Expo 2017 organised by Malayala Manorama at Mamman Mapila Hall, Kottayam, on 11 Jan 2017.

1.5.2 Exhibition on ISRO Rockets and Satellites

To boost the scientific temper among the us, we visited the exhibition on ISRO rockets and satellites, organised by Kottayam Institute of Technology and Science on 14th July 2016. The ISRO water rocket launch was an attractive demonstration.

1.5.3 Attended Einstein Lecture

We attended Einstein Lecture series, celebrating the centenary of Albert Einstein's general theory of relativity at RIT Pampady on 17th Feb 2017, by Dr. Archana Pai, IISER-TVM.

1.6 Manuscript Magazine

To promote the talents of the Physics students, the association released a handwritten manuscript. The hand- written magazine, SPECTRUM 2K17 was released by Vice-Principal and HOD of Physics Department, Prof. Susy Philp N, by handing over the magazine to Dr. Elizabeth V, John on 2nd March 2017.

1.7 Intercollegiate Competitions / Fest Conducted GRAVITAS - THE PHYSICS FEST

In order to bring out the talents of the students, the Association oraganized Physics fest- Gravitus on 16 February 2017 with two inter-collegiate competitions, namely Physics quiz competition and power point presentation competition. For the quiz competition 18 teams and for PPT competition 10 teams from different colleges participated in the fest. The first prize for Physics quiz competition was bagged by St. Thomas College Palai, and for PPT competition by Baselious College Kottayam.

1.8 Intercollegiate Competitions/ Fest Participated

- Ms. Chippy A. Suresh of III DC won third prize for All Kerala intercollegiate Essay competition conducted by Dept. of Physics, BCM College in association with National Science Day celebrations 2K17.
- Ms. Riya Tomy, Ms. Jeny Jose, Ms. Soniya Benny, Ms. Soniya Benny and Ms. Merija K.S participated for the Physics Quiz competition held at Baselious College Kottayam.
- Ms. Arya A & Ms. Anitta Thomas of III DC Physics participated for the Physics Presentation competition held at Baselious College Kottayam.

1.9 Inter-Departmental Competitions Conducted

1.9.1 POWER QUIZ

In Association with KSEB, an interdepartmental power quiz competition was conducted by our department. Students from almost all the departments participated. First prize was shared by Physics and Commerce departments.

1.9.2 Essay Competition

An inter departmental essay competition on the occasion on Madam Curie Day was conducted on the topic Madam Curie and Women Education. First prize was won by English department.

8. UNIQUE PROGRAMME

NSD Celebrations 2K17- (Reported under Govt. sponsored programmes)

Dept. of Physics is always concerned about the overall development of the students. With this aim we conducted two-day National Science Day Celebrations 2K17 sponsored by KSCSTE, TVM. NSD theme of the year is "Science and Technology for Specially Abled Persons". As a part of NSD we organized all Kerala intercollegiate essay competition on the topic, "Science and Technology for Specially Abled Persons", evaluating the participant's reading, writing and communication skills. The day was marked by the gift of interacting and hearing to a specially abled scientist at VSSC Dr. Smitha V. Thampi. She encouraged the students to dream to strive towards excellence. The second day of NSD was marked by an extension activity. The students visited St. John of God Special School, Pampady, interacted with the specially abled children, and tried to impart basic computer awareness. Thus, NSD celebrations helped the students to shine in various walks of life. We are proud that Physics department is selected by KSCSTE consecutively for the second time for celebrating NSD 2K17.
