Research Development Cell Report

2023-24

Research Development Cell (RDC)

The Research Development Cell (RDC) in Bishop Chulaparambil Memorial College Kottayam is dedicated to foster research culture, innovation, and continuous learning among the academic community. The first session was organized on 31/07/2023 on the basis of five subject-related clusters. The cluster coordinators are Dr. Annu Thomas, Dr. Anu Varghese, Dr. Naveena J. Narithookil, Dr. Ipe Varghese and Dr. Reshma Rachel Kuruvilla. RDC is actively involved in promoting research culture, enhancing academic excellence, and cultivating an environment to inculcate research temper. 100 research seminars were conducted by faculty members in the academic year 2023-24. Among them 17 research papers were published in peer reviewed journals by faculty members this year.

Glimpses of the sessions conducted by five clusters
