Brochure of the Program

A skill development program was organized by Kshamatha Va Kushalatha club of B.C.M. College, Kottayam for final year UG and PG students on 26th February 2022. It was a one day program. The resource person for the program was Mr.Sanju P Cherian, Assistant Professor, Saintgits College of Engineering. The program was coordinated by Dr.Smitha Joseph, Faculty, Department of Physics and Mrs. Emi Mathew, Faculty, Department of Zoology. The forenoon session started at 10 am and ended at 12.30 pm, while the afternoon session was from 1.30 pm till 3 pm. The session was attended by 40 final year UG and PG students from various departments, which includes Economics, Sociology, Commerce and History.

Fig. 1 An activity session of the program

The program was divided into several sessions. The first session was a motivational session. The session included various activities which build up confidence in students. This was followed by session on public speaking. Each student spoke on topics of their own. The program came to an end at 3pm followed by a feedback session. According to the participants, the program was very interesting and really beneficial for them.
