HISTORY OF THE COLLEGE

The dawn of the 20th Century ushered in an era marked out in human history as a harbinger for empowering women, equipping them with education and thereby elevating them into higher echelons of social strata.

This revolutionary call resonated in a remote Southern part of India prompting the visionary prelate of blessed memory H.E. Mar Alexander Chulaparambil to embark a journey unparalleled in the social history of the nation.

His visionary zeal materialized in 1927 in the form of a girls high school at Kottayam, the St. Anne's Girls School. The inaugural meeting of the school witnessed Bishop Chulaparambil of his dream of an institution for higher education, exclusively for women.

Bishop Chulaparambil's dream was vigorously and zealously pursued by his successor H.E. Mar Thomas Tharayil of blessed memory leading to the establishment of the Bishop Chulaparambil Memorial College on 11th of July 1955, an institution for the higher education of women. The college was formally inaugurated in 1959 by His Eminence Valerian Cardinal Gracias, Archbishop of Bombay and the first Cardinal from India.

Chev. Prof V.J. Joseph Kandoth served as the first Principal of the college. There were eight Professors and a non-teaching staff in the beginning. Prof. Joseph was succeeded by 15 persons to guide the college till date.

From its humble beginnings the college has made steady progress and now she is one of the foremost colleges in Kerala with sixteen undergraduate courses, eight post graduate courses, 146 staff and over 2000 students.

Generations of students spread far and wide across the globe bears the mantle as unofficial ambassadors of this institution, a cradle for women's education in our country.

MOTTO

The college motto **SAPIENTIA ET GRATIA** (Latin) means Wisdom and Grace. Human wisdom and divine grace are two essential factors moulding the life of any person. Since the purpose of education is overall development of personality, along with intellectual development, the college tries to promote moral as well as spiritual growth. When our students cross the portals of B.C.M. on completion of their course, we believe, they become ideal educated people, having worldly wisdom and Divine grace.

EMBLEM

The five imageries contained in the emblem envisage the history and purpose behind the establishment of the college. The ‘**ship**’ in the left bottom reminds us of the journey in A.D. 345 of the group of Syrian Jewish Christians under the leadership of Knai Thoma, whose descendants are the Knanaya Catholic Community which established and manages the institution. The beautiful ‘**landscape**’ with coconut tree in the right bottom evokes Kerala, God’s own country, where the Knanayaites embarked. It further calls for nostalgic patriotic spirit which should animate the students. The dawn fills us with hope of a new era yet to come. The ‘**anchor**’ in the upper right symbolises the firmness and steadfastness of wisdom that the college ensures the students. The intellect illuminated with wisdom is the anchor of faith, hope and charity with which the students will march forward with beaming joy, spreading sunshine everywhere. The ‘**burning furnace**’ symbolises the hardships of life to be overcome through the process of purification in *Agni* (fire). Besides, it signifies that a heart adorned with divine grace is all on fire with the love of God and man. It alludes also to the furnace (chula) contained in the house name Chulaparambil of Mar Alexander in whose fond memory the college exists. The ‘**crown**’ in the upper part is the one that awaits all of us when we complete our life successfully in the divine *Marga*.

All these symbols have a religious significance as well. While the ship and anchor symbolise the Church, the sun and beaming light symbolises Christ, the eternal light and the redeemer of mankind. The person who walks in Jesus Christ with the Church, will attain the Crown of Justice in the life everlasting.

GOALS AND OBJECTIVES

Since its origin, the Christian Church has been active in the field of education throughout the world. Christian educational institutions are part of the Church's effort to share in the country's educational progress. This effort, while recognizing a special responsibility towards the Christian community, has always been at the service of the whole nation.

Education in Christian institutions is inspired by a vision of man drawn from the life and teachings of Jesus Christ. The vision gives Christian institutions a specific character and sets before their managements, staff and students high ideals of life and service towards which they are challenged continually to strive.

The college aims at the integral personalized education of the young. It strives to mould intellectually well trained, morally upright, socially committed, spiritually inspired men and women for the new India.

To accomplish this, special efforts are made to enable the students:

- ◆ to strive for excellence in every field
- ◆ to think for themselves in a clear, fearless and independent manner
- ◆ to seek, extend and apply knowledge to the solution of human problems
- ◆ to value and responsibly use their freedom
- ◆ to be clear and firm on principle and courageous in action
- ◆ to be unselfish in the service of their fellow human beings
- ◆ to become agents of needed social change in their nation

Through these efforts, B.C.M. College aims at making her own contribution to a radical transformation of present-day social conditions, so that social justice, equality of opportunity, genuine freedom, respect

for religious and moral values, empowerment of women which are enshrined in the constitution of India may be realized. Thus, the possibility of living a wholesome life will be open to all.

- PSO2 Summarize the evolutionary importance of Algae and Bryophytes. Illustrate the external morphology, internal structure and reproduction of different types of Bryophytes and Algae. Apply Phycology in different fields. Extrapolate current

- development in the field of Bio technology and Bio informatics. Instantiate students in micro propagation techniques. Carry out DNA isolation.
- PSO3 Interpolate the diversity in habit, habitat and organization of different groups of plants. Remember the modern classification in lower forms of plants. Understand the evolutionary trends in Pteridophytes and Gymnosperms. Understand the significance of Palaeobotany. Understand the anatomy and structural adaptations of Angiosperms. Instantiate the morphology and development of reproductive parts in Angiosperms. Identify the reproductive structures in Angiosperms.
- PSO4 Implement students to conduct independent research and prepare research reports. Illustrate different tools and techniques used in research work. Discuss basic computer skills necessary for research. Generalize students to have enough numerical skills for research. Understand plants with immense economic importance. Clarify floral features of different Angiosperms. Identify the common species of plants growing in Kerala and their systematic position. Understand the scope and significance of Ethnobotany and different plants used in daily life by tribal.
- PSO5 Subsume an insight into the principles of heredity. Illustrate the methods of crop improvement. Discuss the importance of horticulture. Execute the skills in gardening. Analysis of pedigree. Compute allelic frequencies. Calculate recombination frequencies and determination of map distances. Understand the ultra-structure and functioning of cell in sub microscopic and molecular level. Identify different stages of Mitosis and calculate Mitotic index. Identify and study the chromosomal anomalies. Abstract cytological aspects of growth and development. Carry out elementary problems on DNA structure, replication, transcription and Genetic code.
- PSO6 Describe basic skills and techniques related to plant physiology. Illustrate basic knowledge about plant functioning. Interpolate role, structure and importance of biomolecules in plant life. Abstract the significance of environmental science. Exemplify about the extent of the total biodiversity and the importance of their conservation. Discuss various kinds of pollution in the environment and their control measures. Monitor about various environmental laws in India and the role of various movements in the protection of nature. Understand basic human rights. Determine CO₂, Cl and alkalinity of water samples. Calculation of

pH of soil and water samples. Calculate abundance and frequency of plants species by quadrat methods.

- PSO7 Understand the business opportunities in the field of Plant Science. Recognize different types of ornamental gardening, nursery management and mushroom cultivation. Generalize sustainable agriculture and organic farming.

B.Sc Zoology

PSO No. OUTCOME

PSO1 Understands the general perspectives in basic sciences, distribution and classification of animals, salient features, structure, organisation, diversity and interactions with their environment.

PSO2 Understand the internal structure of cell, functions of cell organelles and correlates the physiological and biochemical aspects of animal as well as human body.

PSO3 Understands the complex evolutionary history of origin of life, animal phylogeny, animal behavior, ecological concepts, importance of biodiversity, environmental protection and conservation of nature and natural resources.

PSO4 Understands the concepts of heredity and variations, genetic disorders and its application in human traits, human reproduction and assisted reproductive technologies and reproductive health.

PSO5 Apply the knowledge of apiculture, vermicomposting, aquaculture and animal breeding to carry out self employment, entrepreneurship and development of small scale industries.

PSO6 Develops practical skills in the areas of biochemistry, physiology, bio technology genetics, microbiology, developmental biology, bio informatics, taxonomy, applied zoology and ecology.

PSO7 Apply their knowledge to carry out research in biology, biological data management and generation of data bank for uploading of nucleotide sequences.

PSO8 Designs and constructs novel plans for dealing emerging diseases, pollution, water scarcity, natural disasters and resource management.

PSO9 Contributes and evaluates their knowledge about environment and its sustainability, its relation to human kind, agriculture, medicine and sociobiology in nation building.

PSO10 Understand the importance of maintaining good physical, mental and social health and to apply different strategies such

as balanced diet, life skill education and safety education in day-to-day life.

B.Sc Family and Community Science

PSO No. OUTCOME

- PSO1 To understanding the extension education in the field of nutrition and health, Women and child development, apparel and fabric design, resource management and public awareness with a view to better family and community living.
- PSO2 To understand how to handle family and individual well- being according to their financial, psychological, biological, cultural and social health.
- PSO3 Apply skills to improve every facet of your home life – food, clothing, health, childcare, personal finance, religion, culture, arts, home beautification, etc.
- PSO4 Basic knowledge of the process of teaching, networking and developing educational materials based on innovative, interactive and Participatory communication strategies.
- PSO5 Focus on professional training and skill enhancement in order to provide and widen employment opportunities for women through a Continuously updated curriculum.

B.Sc Finance and Taxation

PSO No. OUTCOME

- PSO 1 To recognize features and roles of businessmen, entrepreneurs, managers etc which will help to possess knowledge about the modernera of Commerce and to manage the business effectively
- PSO 2 To enable a student to be capable of making decisions at personal and professional level.
- PSO 3 To demonstrate progressive learning of various tax issues and tax forms relatedtoindividuals.
- PSO 4 To integrate skill, knowledge and attitude that will sustain an environment of learning and creativity among students.
- PSO 5 To create a strong foundation of knowledge in different areas of Commerce.
- PSO 6 To enrich the students with communication, ethical values, team work, professional and leadership skill.
- PSO 7 To prepare the students to enter Masters Programme like M. Com, MBA and pursue professional Programme like CA, CMA, CS etc.
- PSO8 To familiarize the students to Indian Financial markets.
- PSO9 To Increase the awareness about environment resources, issues and problems and the prevailing human rights laws in India.

PSO10 To make the student competent enough to apply the financial accounting rules to create, develop, analyze and interpret balance sheet, income statement and cost statement.

B. Sc Food Science and Quality Control

PSO No. OUTCOME

PSO1 Understand the multi disciplinary sciences involved in Food, Safety and its Management and related subject enrichment.

PSO2 Develop practical skills in laboratory knowledge and skills in basic food chemistry, microbiology and analysis of foods at basic and advanced levels.

PSO3 Develop Communication skill and critical thinking, Industrial skill, with on the job training and industrial projects in reputed food industries, food certification programmes.

PSO4 Interpretations and explanations of testing methods employed in practical and theory, its levels, accuracy and significance.

PSO5 Generate Skill in handling food related micro organisms, chemicals, personal and consumer safety and implementation of sanitation and hygienic techniques in industry.

PSO6 Differentiate concepts, tools and techniques related to statistical analysis, applied zoology, advanced chemistry and its applications in the science of Foods.

PSO7 Creation of Product Formulations As a Basis for Research and Development.

PSO8 Understanding environmental issues, Human Rights, Its Over exploitation and its drastic effect on food chain as well as remedial measures to be adopted.

PSO9 Basic understanding of management and entrepreneurship as options for startups.

B. Sc Computer Science

PSO No. OUTCOME

PSO1 Design, Implement, Test And Evaluate A Computer System, Component Or Algorithm To Meet Desired Needs And To Solve A Computational Problem.

PSO2 Create And Understand Different Programming Languages, Basic Theory And Summarise Different recent Technologies.

PSO3 Understand The Principles And Working Of Computer System (Hardware And Software Aspects Of Computer)

PSO4 Analyse And Execute Different Professional And Discipline Aspects.

PSO5 Execute Knowledge Of Probability And Statistics Including Application Appropriate To Computer Science

PSO6 Analyse The Structure Of English Phonetics And Grammar And Also Improve Communication Skills. Improve The Skills Of Food Science And Commercial Aspects Also.

B. Sc Computer Application

PSO No. OUTCOME

- PSO1 To recognize features and roles of businessmen, entrepreneurs, managers etc which will help to possess knowledge about the modern era of Commerce and to manage the business effectively.
- PSO2 To enable a student to be capable of making decisions at personal and professional level.
- PSO3 To gain knowledge in setting up a computerized set of accounting books.
- PSO4 To integrate skill, knowledge and attitude that will sustain an environment of learning and creativity among students.
- PSO5 To create a strong foundation of knowledge in different areas of Commerce.
- PSO6 To enrich the students with communication, ethical values, team work, professional and leadership skill.
- PSO7 To prepare the students to enter Masters Programme like M. Com, MBA and pursue professional Programme like CA, CMA, CS etc.
- PSO8 To familiarize the students to Indian Financial markets.
- PSO9 To Increase the awareness about environment resources, issues and problems and the prevailing human rights laws in India.
- PSO10 To apply the knowledge of accounting fundamentals to the solutions of complex accounting and management problems.

B.A English Model- III

PSO No. OUTCOME

- PSO1 Recognize as well as identify the relevance of an event by which they can decide on what can be a news and describe it factually.
- PSO2 Subsume the rules governing media writing and familiarize them with the intricacies of editing which in turn helps them to describe, categorize and state the occurrences clearly.
- PSO3 Express unbiased views on sensitive issues and exhibit sensible and practical solutions in challenging situations.
- PSO4 Use of the effective and meaningful interpersonal skills in carrying out activities like interviews, press conferences, panel discussion and soon.
- PSO5 Differentiate between the facts and opinions on the political domain, discriminate valid and invalid information regarding social

- constructs and verify the accuracy as well as the inaccuracy regarding the policies and developmental activities.
- PSO6 Find Coherence from various literary theories and compose critical reviews on novels, stories, essays and poetry.
- PSO7 Detect appropriate methods for analyzing a work of art or social relevance and document it accurately by which it remains as a credible source of information for future purposes.
- PSO8 Detect and judge the social constructs which results in the evaluation of the biased conditions, characteristics and motives of the setstandards in the field of media ethics and cultural scenario that shall empower the learner to deconstruct and assert new and accurate methods of writing that shall suffice the demands of the hour.
- PSO9 Generate alternatives and innovative solutions for social menaces like in equality, crime against children, women and elderly, destruction of nature by designing a hypothesis, planning it and execute which ultimately can produce a change.

M.Sc Mathematics

PSO No. OUTCOME

- PSO1 Develop broad and balanced knowledge and understanding the concepts of Algebra, Analysis, Topology, Differential equations, Number Theory, Optimization Techniques, Probability theory and Discrete Mathematics in detail.
- PSO2 Familiarize the students with various mathematical tools of analysis to recognize, understand, interpret, model, solve practical problems and problems in mathematics related sciences.
- PSO3 To develop skills of mathematical abstraction, creativity, independent learning in understanding as well as interpreting different areas in Mathematics.
- PSO4 Enhance the ability to apply the mathematical knowledge and skills acquired to solve specific theoretical concepts/problems in Mathematics.
- PSO5 To enhance programming skills to understand different mathematical programming software's and develop skills to solve problems using different programming packages.
- PSO6 Provide students sufficient knowledge and skills enabling them to undertake Independent multidisciplinary research and further studies in mathematics and its allied areas.
- PSO7 Acquire the knowledge and skills to engage and communicate the fundamental concepts of Mathematics and other allied areas to a wide spectrum of audience.

PSO8 Encourage the students to develop a range of generic skills helpful in employment, internships and social activities.

M.A English

PSO No. OUTCOME

PSO1 Understand the origin, development and evolution of language and literature through the ages.

PSO2 Appreciate the characteristics of individual literary works

PSO3 Analyse how literature critically interacts with its historico-socio-politico- cultural contexts.

PSO4 Develop complex reading, writing, and research skills.

PSO5 Compare and contrast different and varied literary texts and studies and examine the diverse point of views.

PSO6 Design and develop creative ideas in content development, creative visualizations, translations and publishing.

M. Sc Home Science (Child Development & Behavior Science)

PSO No. OUTCOME

PSO1 Demonstrate a sound research based knowledge of physical, socio-emotional intellectual, and language development of normal children and children with special needs.

PSO2 Aware of the recent trends in research in child development with development of affinity for research and carry out research in the area of child and adolescent development

PSO3 Acquaint on the theories of child development from different perspectives and application of theories to face challenges faced in educational and care settings.

PSO4 Have the capacity to provide awareness to all stake holders on all matters related to child development, utilising sound communication skills to ensure appropriate interaction and outcome.

PSO5 To be an empathetic and reflective listener, especially within a counselling setting.

PSO6 Demonstrate the capacity to develop, implement and evaluate programmes and interventions for the development of children and adolescents.

PSO7 Ability to work with children at risks, children with development delays, children with special needs.

PSO8 Have knowledge on the mental health needs at different stages of child development, with special reference to adolescent issues and the strategies to promote.

PSO9 An accomplished communicator, independent learner, flexible team worker.

M. Com Finance & Taxation

PSO No. OUTCOME

- PSO 1 Inculcating managerial skills and theoretical knowledge for managing business units with special focus on functional areas of business and management
- PSO 2 Imparting advanced accounting knowledge and skills and provide awareness regarding latest developments in the field of accounting
- PSO 3 Enabling learners to acquire advanced theoretical knowledge on research methods and techniques and also developing capabilities in the application of research in solving business related problems.
- PSO 4 Acquisition of expertise in specialised fields like finance, taxation, accounting, marketing and management
- PSO 5 Developments of quantitative aptitude and analytical skills of the learner
- PSO 6 Facilitating learner to pursue career in professional areas of commerce and management such as taxation, accounting, financial services, consultancy etc
- PSO 7 To underst and the impact of environment in business and to gain knowledge about the corporate governance in business
- PSO 8 Detailed view about the international environment in which transactions are carried out and to get a comprehensive knowledge about the ways and means of raisingi nternational finance.
- PSO 9 Familiarising the financial market, its instruments & making the students capable of analysing the financial market.

MSW

PSO No. OUTCOME

- PSO1 Demonstrate the professional knowledge of social work methods inter disciplinary foundations theories and methods
- PSO2 Demonstrate models, competencies and skills in the practice with individual, families and groups
- PSO3 Demonstrate all components of leadership and administration in the practice
- PSO4 Produce the ability in analyzing, evaluating public policies and programmes
- PSO5 Create model policies leading to research integrated practices
- PSO6 Develop socially conscious and responsible citizens who have an intelligent grasp of social issues and social delivery systems

Choice Based Credit System (CBCS)

Applicability: All the provisions of the regulation are applicable to programmes under mode except the provisions specifically applicable to regular college and regular students.

Common Course I: English

Common Course II: Only the following languages are allowed as Common Course II

a) Malayalam b) Hindi c) Sanskrit d) Arabic e) Tamil f) Syriac

Internal marks and minimum for pass Internal evaluation will be made on the basis of an OMR Test of 15 minutes duration with 20 multiple choice questions of 1 mark each. The examinations will be conducted just before the beginning of each external examination of the respective course without affecting the duration of the external examination. There is no minimum mark for internal examination. For External examination the minimum mark is 30% and for a pass, the minimum mark is 35% for both internal and external.

Registration for additional degree/Optional Change/common course/stream change etc. For registrations involving change of core courses, common courses, additional degrees etc. university orders issued from time to time will be applicable.

1. Clause: The maximum continuous twelve semesters for successful completion of the programme shall be counted from the initial admission of the student to the first semester of the programme, irrespective of readmission.

2. Clause: The chance to improve can be availed for semester or semesters of one's choice. In such cases, one has to appear for external examinations of all the courses of that particular semester(s). There is no provision for betterment of internal evaluation marks as well as marks for Practicals/Project/Viva/On the job training.

3. Clause: Student who take readmission as per CBCS regulation 2017 shall appear for internal and external examinations of all theory and practical courses of previous semesters which he/she had completed under CBCSS regulation 2013.

Clause 7.7. The practical examination of such programmes, for which the syllabus provides for conducting the examination in all semesters, shall be conducted accordingly. Where Practical Examinations are conducted in odd

semesters as a separate course, the marks shall be 80 for external evaluation and 20 for internal evaluation. The marks for internal evaluation in such cases are as per clauses 11.2(d).

Clause 11.- For programmes having on the job training courses (OJT), if there is no external evaluation, the marks are to be awarded fully by internal examiners. The total marks of 100 shall be divided into 20:80 similar to the other courses.

Clause 11.2 (d) - For Practical Examinations conducted in odd semesters as a separate course, where marks for external evaluation is 80 and marks for internal evaluation is 20.

Components of Internal Evaluation	Marks
Attendance	4
Test paper (2x4)	8
Record	8
Total	20

1. Clause 19 (b) With practical: The total marks in the last column of Sl. No. 1 is corrected as 10 instead of 20.
2. Clause 22, Annexure I: The total given just above total credit points in the Model Mark cum Grade Card is deleted as there is no need to show total marks semester-wise.
3. Clause 22, Annexure II:- In the Model Grade Card, the name of examination is corrected as Sixth semester instead of first semester.

7. Scheme and Syllabus

- 7.1. The U.G. programmes shall include (a) Common Courses I and II, (b) Core Course(s), (c) Complementary/Vocational Courses, and (d) Open Course.
- 7.2. There shall be one Choice Based course (Elective Course) in the sixth semester. In the case of B. Com Programme there shall be an elective stream from third semester onwards.
- 7.3. Credit Transfer and Accumulation system can be adopted in the programme. Transfer of Credit consists of acknowledging, recognizing and accepting credits by an institution for programmes or courses completed at another institution. The Credit Transfer Scheme shall allow students pursuing a programme in one University to continue their education in another University without break.

- 7.4. A separate minimum of 30% marks each for internal and external (for both theory and practical) and aggregate minimum of 35% are required for a pass for a course. For a pass in a programme, a separate minimum of **Grade D** is required for all the individual courses. If a candidate secures **F Grade** for any one of the courses offered in a Semester/Programme, **only F grade** will be awarded for that Semester/Programme until he/she improves this to **D Grade** or above within the permitted period. (See Clause 5.3)
- 7.5. Students who complete the programme with “D” grade in the Mahatma Gandhi University “Regulations for Under Graduate Programmes under Choice Based Credit System 2017” will have one chance of betterment within 12 months, immediately after the publication of the result of the whole programme.
- 7.6. Students discontinued from previous regulations CBCSS 2013, can pursue their studies in the Mahatma Gandhi University “Regulations for Under Graduate Programmes under Choice Based Credit System 2017” after obtaining re-admission. These students have to complete the programme as per the Mahatma Gandhi University “Regulations for Under Graduate Programmes under Choice Based Credit System 2017”.
- 7.7. The practical examinations (external/internal) will be conducted only at the end of even semesters for all programmes. Special sanction shall be given for those programmes which need to conduct practical examinations at the end of odd semesters.

8. PROGRAMME STRUCTURE

Model I BA/B.Sc.

a	Programme Duration	6 Semesters
b	Total Credits required for successful completion of the Programme	120
c	Credits required from Common Course I	22
d	Credits required from Common Course II	16
e	Credits required from Core course and Complementary courses including Project	79
f	Open Course	3
g	Minimum attendance required	75%

Model I/II B.Com

a	Programme Duration	6 Semesters
b	Total Credits required for successful completion of the Programme	120
c	Credits required from Common Course I	14
d	Credits required from Common Course II	8
e	Credits required from Core and Complementary /Vocational courses including Project	95
f	Open Course	3
g	Minimum attendance required	75%

Model II BA/B.Sc.

a	Programme Duration	6 Semesters
b	Total Credits required for successful completion of the Programme	120
c	Credits required from Common Course I	16
d	Credits required from Common Course II	8
e	Credits required from Core + Complementary + Vocational Courses including Project	93
f	Open Course	3
g	Minimum attendance required	75%

Model III BA/B.Sc./B.Com

a	Programme Duration	6 Semesters
b	Total Credits required for successful completion of the Programme	120
c	Credits required from Common Course I	8
d	Credits required from Core + Complementary + Vocational Courses including Project 1	09
e	Open Course	3
f	Minimum attendance required	75%

9. Examinations

9.1 The evaluation of each paper shall contain two parts:

- (i) Internal or In-Semester Assessment (ISA)
- (ii) External or End-Semester Assessment (ESA)

9.2. The internal to external assessment ratio shall be 1:4.

Both internal and external marks are to be rounded to the next integer.

All papers (theory & practical), grades are given on a **7-point scale** based on the total percentage of marks, **(ISA+ESA)** as given below:-

Percentage of Marks	Grade	Grade Point
95 and above	S Outstanding	10
85 to below 95	A+ Excellent	9
75 to below 85	A Very Good	8
65 to below 75	B+ Good	7
55 to below 65	B Above Average	6
45 to below 55	C Satisfactory	5
35 to below 45	D Pass	4
Below 35	F Failure	0
	Ab Absent	0

10. Credit Point and Credit Point Average

Credit Point (CP) of a paper is calculated using the formula:-

$CP = C \times GP$, where *C* is the Credit and *GP* is the Grade point

Semester Grade Point Average (SGPA) of a Semester is calculated using the formula:-

$SGPA = TCP/TC$, where *TCP* is the Total Credit Point of that semester.

Cumulative Grade Point Average (CGPA) is calculated using the formula:-

$CGPA = TCP/TC$, where *TCP* is the Total Credit Point of that programme.

Grade Point Average (GPA) of different category of courses viz. Common Course I, Common Course II, Complementary Course I, Complementary Course II, Vocational course, Core Course is calculated using the formula:-

$GPA = TCP/TC$, where *TCP* is the Total Credit Point of a category of course.

TC is the total credit of that category of course

Grades for the different courses, semesters and overall programme are given based on the corresponding CPA as shown below:

GPA	Grade
9.5 and above	S Outstanding
8.5 to below 9.5	A+ Excellent
7.5 to below 8.5	A Very Good
6.5 to below 7.5	B+ Good
5.5 to below 6.5	B Above Average
4.5 to below 5.5	C Satisfactory
3.5 to below 4.5	D Pass
Below 3.5	F Failure

11. Marks distribution for External and Internal evaluation

The external theory examination of all semesters shall be conducted by the University at the end of each semester. Internal evaluation is to be done by continuous assessment. For all courses without practical total marks of external examination is 80 and total marks of internal evaluation is 20. Marks distribution for external and internal assessments and the components for internal evaluation with their marks are shown below:

11.1 For all courses without practicals

- a) Marks of external Examination : 80**
- b) Marks of internal evaluation : 20**

Components of Internal Evaluation of theory	Marks
Attendance	5
Assignment /Seminar/Viva	5
Test papers (2x5=10)	10
Total	20

11.2 For all courses with practical total marks for external evaluation is 60 and total marks for internal evaluation is 15.

For all courses with practical

- a) **Marks of external Examination: 60**
- b) **Marks of internal evaluation: 15**

Components of Internal Evaluation	Marks
Attendance	5
Assignment /Seminar/Viva	2
Test papers (2 x 4)	8
Total	15

(c) For practical examinations total marks for external evaluation is 40 for internal evaluation is 10

Components of Internal Evaluation of Practical	Marks
Attendance	2
Test paper (1 x 4)	4
Record*	4
Total	10

*Marks awarded for Record should be related to number of experiments recorded and duly signed by the teacher concerned in charge.

All three components of internal assessments are mandatory.

11.3 For Projects

- a) **Marks of external evaluation : 80**
- b) **Marks of internal evaluation : 20**
- c)

Components of External Evaluation of Project	Marks
Dissertation (External)	50
Viva-Voce (External)	30
Total	80

*Marks for dissertation may include study tour report if proposed in the syllabus.

Components of Internal Evaluation of Project	Marks
Punctuality	5
Experimentation/data collection	5
Knowledge	5
Report	5
Total	20

Attendance Evaluation for all papers

% of attendance	Marks
90 and above	5
85 – 89	4
80-84	3
76-79	2
75	1

(Decimals are to be rounded to the next higher whole number)

13. Assignments

Assignments are to be done in all Semesters. At least one assignment should be done in each semester for all courses.

14. Seminar/Viva

A student shall present a seminar in the 5th semester for each paper and appear for Viva-voce in the 6th semester for each course.

15. Academic Performance Enhancement Practice (APEP)

Academic Performance Enhancement Practice (APEP), involves the evaluation of student learning over a course of time. By interpreting student's performance through assessment and sharing the results with them, instructors help students to realize their strengths and weaknesses and enable them to reflect on how they can improve themselves in the university exams. All the departments conduct brainstorming sessions, quizzes, group discussions, mock viva and tests on various topics which are basically revisionary in nature. The conduct of the assessment will be informed prior to the assessment and the students are given ample time to revise the portions. Academic Performance Enhancement Practice has become part of continuous assessment, making the continuous evaluation process more effective.

16. Internal Assessment Test Papers

Two test papers are to be conducted in each semester for each course. The evaluations of all components are to be published and are to be acknowledged by the candidates. All documents of internal assessments are to be kept in the college for one year and shall be made available for verification by the University. The responsibility of evaluating the internal assessment is vested on the teacher(s), who teach the course.

17. External Examination and Project

The external examination of all semesters shall be conducted by the University at the end of each semester.

Students have to do a project by at the end of the sixth semester. This project can be done individually or as a group of 3 students. The projects are to be identified during the second semester of the programme with the help of the supervising teacher. The report of the project in duplicate is to be submitted to the department is subject to examination by University appointed external examiners.

Grievance Redressal Mechanism

In order to ensure this, students are given the right to know how the teacher arrived at the grade. The grievances from the students are three levels addressed at it. The students can appeal to the upper level only if the grievance are not satisfactorily addressed by the primary level.

1. **Department Level:** It is chaired by the Head of the Department.
2. **College Level:** The Principal is the Chairman of this committee. It has a Co-ordinator, HOD of the concerned department and a senior teacher nominated by the College council as its member.
3. **University Level:** It is constituted by the Vice-Chancellor.

ADMISSION PROCEDURE OF THE COLLEGE

1. The students are admitted to the under graduate and post graduate courses through the Centralised Allotment Process (CAP) introduced by M.G. University from the academic year 2010-2011. The college admits qualified students of all castes and creeds.
2. As far as the institution is concerned the guardian of the ward at the time of admission will be guardian for all purposes till completion of course.
3. Application for community / management seats must be made in the prescribed form available at the College office.
4. Candidates for admission to the degree programmes must present (1) Transfer Certificate from the School / College last attended (2) Course and Conduct Certificate (3) Pass Certificate (4) Migration Certificate or Eligibility Certificate (for students coming from other universities) (5) S.S.L.C. Book for reference only and (6) Two passport size photographs.
5. Original certificates submitted at the time of admission will not be returned to the students during the course of study. Students are therefore, directed to keep true copies of the same before submitting the original for admission.
6. The first instalment of tuition fee and other fees will be collected on the day of admission. No student will be enrolled or allowed to attend the classes until the fees due from him or her has been paid.
7. STUDENT SUPPORT SYSTEMS

In order to attain the overall development of the students, this institution facilitates the functioning of various co-curricular activities along with curricular activities. To attain this objective, election contests, discussions, debates, excursions, lectures and occasional social functions, quiz competitions, seminars etc. are organised. Students are advised to take active part in the activities of various clubs like, Tourism Club, Bhoomithra Sena, Women's Club, Sahitya Samajam, Cinema Club, in addition to the department clubs. The PTA and alumni associations, support all student ventures.

COLLEGE UNION AND AFFILIATED ASSOCIATIONS

All the students of the college will be members of the college union. The office bearers of the union are elected by the students and the election is completely politics free. The Principal will be the patron of the college union and the affiliated associations. All the members of the teaching staff of the college will be honorary mem-

bers of the union and of all affiliated associations.

All B.A., B.Sc., B.Com. and P.G. departments have their subject associations affiliated to the college union. The secretaries of the affiliated associations are elected by the members of the respective associations. The Heads of the departments will be the ex-officio presidents of the associations relating to their departments.

COLLEGE MAGAZINE

College magazine is published annually. Students should make it their concern to maintain uphold the interests and ideals of the college. They should also contribute their best literary and artistic efforts to keep up with its high standard.

NATIONAL SERVICE SCHEME

National Service Scheme (N.S.S.) promotes respect for labour, discipline, Gandhian principles, national integration and work culture. The students are guided and directed by the programme officers. N.S.S. is a cradle for leadership training and for learning the fundamentals of group dynamics, and thereby, ensures success in life and personality development. The N.S.S. unit of our college is actively engaged in organic farming, providing food to Navajeevan projects, road safety awareness programmes, etc.

MENTORING SYSTEM & VALUE EDUCATION

Each class is placed under the special care of a teacher. This class teacher will have personal contact with her/his students and thereby help them grow as better human beings. She/he may give them proper guidance in matters of study and conduct within and outside the class room. The teachers are also encouraged to arrange programmes of their choice for the cultural, social and intellectual growth of their students. This teacher is the immediate authority of that class and its day-to-day affairs. The weekly classes for value education of 45 minutes duration is handled by resource persons/ teacher-in-charge.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) was established in January 2004. Members of IQAC meet once a month and evaluate the activities of the college. This serves as a mechanism for internal quality check. The IQAC gives the necessary suggestions to the college council, and the Principal for improvement of quality. Annual quality assurance report is sent every year to the NAAC along with the proposed plan for the coming year.

GRIEVANCE REDRESSAL CELL

The College has formed a Grievance Redressal Cell in order to address and resolve any grievance of the staff and the students. A grievance redressal box has been placed in front of the office. The issues are taken up at the end of every week by the grievance redressal cell formed by the College.

RESEARCH CELL COMMITTEE

The College has a Research Committee consisting of the Principal and faculty members to monitor and address the issues of research. The committee provides timely intimation of the research schemes, identifies the research opportunities and funding agencies and encourages the faculty and students to conduct subject related research work. It also evaluates and monitors the research projects which were undertaken by the faculty and students.

PARENT - TEACHER ASSOCIATION

The P.T.A. is formed with the main aim of fostering and promoting healthy relationship among the members of the teaching staff, the students and the parents of students. The association is enabled to create an interest for the smooth working and progress of the college and for maintaining good discipline and high academic standards. Class-wise P.T.A. meetings are conducted every academic year.

ALUMNI ASSOCIATION - B.C.M. BEAMS

The Alumni Association of the college functions well. The aims and objectives of the association are:-

- ◆ To keep the alumni in constant touch with their Alma-mater.
- ◆ To co-operate with and contribute towards the growth of the mother institution.
- ◆ To mobilise financial assistance for the developmental activities of the college.
- ◆ To help the college for attaining the objectives of higher education.

Every year October 2nd is celebrated as B.C.M. Beams day, the annual college alumni meet.
