

Ms. Shalini Thomas- Assistant Professor, Department of Economics@BCM College, Kottayam

Experience Economics at BCM College, Kottayam

Are you enthusiastic about Economics? Do you aspire to construct a fulfilling career in data analysis or FinTech? At BCM College, Kottayam, we provide a thrilling experience where learning intersects with unlimited possibilities!

Why Study Economics at BCM?

❖ A Mix of Classic and Contemporary Economics

Economics is not merely theories—it is learning about data, trends, and economic strategies that govern the world. At BCM, we train students in hands-on skills in data analysis, FinTech business, and economic studies, preparing them for the industry.

❖ More Than Textbooks: Pocket Courses in Mendeley, Jamovi, Yoga, Spoken English and many more...

Pocket Courses extend beyond books, providing rapid and handy learning of Mendeley for reference management, Jamovi for data analysis, Yoga for wellness, Spoken English, and many more. These bite-sized courses assist you in acquiring valuable skills with efficiency, bringing learning anywhere and anytime.

❖ Unmatched Placement Opportunities

We take pride in our stellar placement record! Our final-year students who will graduate in 2025 have secured positions in reputed firms like Accenture and ICICI, while one of our talented graduates has even carved a niche as a content writer. Your future here is filled with possibilities!

Your Quest Starts Here!

At BCM College, we have faith in encouraging talent and supporting excellence. If you dream of a career combining analytical acumen with practical uses, Economics at BCM is the way to go!

Join us now and embark on a future of triumph, development, and limitless possibilities. More milestones ahead—be among the journey-takers!
