

Healthcare Cell Report

The Healthcare Cell of Bishop Chulaparambil Memorial College Kottayam plays a crucial role in ensuring the well-being of students by providing medical assistance and health-related support. The cell is dedicated to addressing medical emergencies, and maintaining a safe and hygienic environment within the institution.

Sr. Dr. Remya Simon, Assistant Professor, Department of Chemistry is the teacher in charge of healthcare services, ensuring high-quality medical care for students. Ms. Taniya Kuruvila is the **nurse in-charge** for administering first aid, managing medical records, and assisting the doctor in providing healthcare services.

The institution has **two designated sick rooms** for students requiring rest and medical attention. These rooms are equipped with basic medical supplies, beds, medicine BP apparatus and other necessary amenities to ensure patient comfort. The sick rooms are maintained under strict hygiene protocols to prevent the spread of infections. The bed sheets are daily washed. Essential medicines and other facilities are provided in collaboration with Caritas Hospital. Medicines and essential medical supplies are procured from the **PD Account** to ensure the availability of required drugs and first-aid essentials at all times.

The procurement process follows standard guidelines to ensure quality and timely replenishment of stock. The Healthcare Cell, under the leadership of Sr. Dr. Remya Simon and Nurse In-charge Taniya Kuruvila, plays a vital role in safeguarding student health. With well-equipped sick rooms and efficient medicine procurement from the PD Account, the institution ensures a prompt and effective healthcare system for all students.
